Legal Mirror (L.M.) ISSN-2454-6216 is a student edited, peer reviewed quarterly publication which focuses on all aspects of law. LM aims to facilitate students, teachers, scholars and others interested in the field to write articles on various contemporary issues and current trends in law.

EDITORIAL

Legal Mirror is a quarterly journal started with an aim to provide an avenue for the expression and enrichment the views of people interested in the field of Law. Knowledge of this field has now elevated form being a matter of passing interest to a level of general aptitude.

Aristotle once said “The law is reason free from passion”. We, however have different view!

As said by Elle Woods “passion is a key ingredient to the study and practice of Law and Life.” To us, passion is the wind that blows every ship its course (with the moist being your will). Without passion for Law, without a zeal for the daunting task of going through numerous four inch thick books, the study of law is futile.

It is with this thought in mind that we have begun the Legal Mirror. It is our hope that we re-ignite those smouldering embers of passion that lie buried inside us, waiting for that elusive spark.
