An Officer's Prayer

O God of Life, Mercy and Hope... who knows and sees all from above and below, without and within.

I thank you for all you provide: blessings and nourishment, trials and tribulations. I look to you for guidance, always finding it in the life you give, the people I know, in those who have gone before me.

I humbly ask that you provide mental, physical, emotional, and spiritual strength to me, my family and friends, and to those who are alone. Find it in your grace to forgive us the wrongs we do to each other, past and present, and grant us strength to amend our lives going forward.

Protect all Police Officers against the wickedness and snares of evil; give them strength and peace to remain faithful when times are hard, to shine as lights to those who wander.

O truly Just Judge, who knows all, sees all and are all in all, bless us we pray. Amen.
