

JUNE 30, 2024 (Cycle B - Year II)

Because of sin, sickness and death have entered the world, but are overcome through the resurrection of Jesus. He hears the cry of those in need, healing the sick and raising the dead to life. He made himself poor that we might become rich.

RESCUE ME! LESSON PLAN

This reflection encourages US to consider that Jesus never promised us a life free from hardship. But he doesn’t expect us to try to survive on our own. He wants to help us. In the Gospel for the 13th Sunday in Ordinary Time Year B, we hear about people in desperate need who turn to Jesus for help when all other options fail. Despite their fear and hopelessness, they reached out to Jesus, acknowledging their need for his help. This lesson encourages US to remember that Jesus is always ready to help us, especially in our toughest moments.

God’s Gift of Life: God created life to be everlasting. Death came through the devil’s envy, not from God.

Generosity Encouraged: St. Paul urges us to excel in giving. By sharing our abundance, we help meet the needs of others.

Faith in Jesus: A woman was healed by her faith in Jesus. Her faith brought her back to health.

Jesus’ Power Over Death: Jesus raised Jairus’s daughter, showing his power over death. This reminds us of Jesus’ authority and care.

These themes highlight God’s love and our call to live with faith and generosity. The 13th Sunday in Ordinary Time Year B invites us to trust in Jesus and share our blessings.

STEWARDSHIP

A show of hands, ladies and gentlemen. Have any of you been given the silent treatment and

had absolutely no idea why?

On the flipside, have any of you have sworn you're not going to demean yourself by explaining, for the thousandth time, that you need extra help with the kids before soccer practice, or that you feel ignored when your spouse doesn't ask how your day went?

But sadly, love doesn't give you the ability to read minds. And in the end, we learn the lesson again and again, we have to verbalize our feelings, our needs, our wants. Expecting your partner to anticipate your needs is guaranteed to end badly.

It's the same with God, even though, oddly enough, He does have the ability to read minds. But He still desires us to explain ourselves to Him, doesn't He? "I'm feeling scared of this." "I'm really worried about that." "God, I think I need x, y and z. Help me Please."

God doesn't desire us to verbalize our needs as a way of keeping us submissive. He's not the petty. What He desires is the communication—that's what really counts. That act of opening yourself up, of becoming vulnerable, of relying on Him, Trusting Him. If it feels like God is asleep in your life, ask yourself this, have you tried waking Him up?
