

Thank you for your interest in our Directory of Fresh Pet Food Professionals. It's our goal to provide as many qualified resources as possible for the vast number of people seeking nutritionally adequate recipes to feed to their pets. For this reason, our baseline criteria involves the ability for professionals to formulate recipes that adhere to established nutritional guidelines (AAFCO, NRC or FEDIAF) and beyond meeting minimum established nutritional requirements.

We plan to include a summary paragraph and a photo or image in the profiles on the site. Please feel free to submit those to us when you return this form by email.
