

# DIRT DRAGIN' 1604

**Rated for up to 450 hp!**

Reclaim lost acres and make your land more efficient with a new Dirt Dragin' 1604!

- Cuts through hard soil with ease.
- Heavy Duty Construction.
- Powder Coated frame for added durability.
- Requires two hydraulic remotes. (tilt and lift/lower)

The Hitch tube is made from 12" x 12" x 3/8" HSS

Integrated Pointer allows you to return to the same blade angle.

3/8" thick steel plate makes up the front face of the blade.

500/50R17 Flotation Tires

**This isn't your conventional light duty box blade, this rugged blade is built to last!**

The 1604 has a 16ft cutting width and a 4ft high roof to keep material contained.

12,000lbs of weight keeps the blade engaged in hard soil.

**VALLEY VIEW FAB**

20ft and 24 ft models also available!  
Model No. 2006 & 2406
