

KINDERGARTEN, 1ST & 2ND

**QUARRY HILL
EARTH DAY**

H.O.P.E. EVENT

Help Others Protect Earth

Help Others Protect Earth

APRIL 22, 2021

- ★ Books
- ★ Movie
- ★ Special Guests
- ★ Planting Seeds
- ★ AND MORE

WHAT IS TRASH?

Trash is anything we throw away.

**We
THROW
AWAY A
LOT OF
TRASH**

RECYCLE

Recycle everything you can.

REDUCE

You can reduce the amount of trash
you make.

REUSE

Reuse things instead of throwing them away.

REPAIR

Repair or donate things
instead of throwing them
away.

HOW DO YOU HELP?

Do you or your family
REDUCE, REUSE, RECYCLE or *REPAIR*?

 Ask your family members to help you think of an example of how you follow the 4 “R”s

SHARE WITH QUARRY HILL

 Take a **photo** of you following
one of the 4”R”s

 Complete the **Google Form**

** Submit the Google Form by Thursday, April 8th*

REDUCE

Kaylee Slota reuses a plastic Giant bag to line her bedroom trash can. This reduces the amount of trash the Slota family throws out since they reuse the bags from the supermarket.

REUSE

The Gougher Family uses reusable shopping bags when they go the supermarket. Since they reuse a bag they are not throwing more plastic bags into the trash.

REUSE

Mrs. Baehser reuses a hand soap bottle by refilling it instead of buying a new bottle. This makes less trash.

RECYCLE

The VanDemark family always recycles their trash by placing their plastic bottles in the Northampton Township recycling bin.

REPAIR

Mrs. Koehler repairs an old sweater by sewing it instead of throwing it in the trash.

I FORWARD TO SEEING WHICH OF THE 4 “R”S YOU DECIDE TO SHARE

Please email questions to [Mr. Gonzalez](#) or [Mrs. Abriola](#)

Mr. Gonzalez will send a Google Form next week in which you will share

- ★ **The “R” you selected** (*REDUCE, REUSE, RECYCLE or REPAIR*)
- ★ **Your photo** (*Please include a person in your photo*)
- ★ **Your description of what you are doing to protect the Earth**

The form should be SUBMITTED by Thursday, April 22nd.
