Hall of Fame Inductees for 2015

On October 13, 2015, Patrick Henry will induct the following alumni into the Hall of Fame at the all-school luncheon. Luncheon information can be found on the last page of this newsletter.

This year's inductees include **William Allard** from the class of '55. Allard's activities included basketball, choir, band and Hi-Y. After graduation, Allard went to work for Northwestern Bell, but left that job to attend the U of M where he discovered photojournalism. His photographic internship earned him a staff position at National Geographic Magazine. Allard has been recognized for outstanding achievement in humanistic photojournalism and authoring numerous award winning books. He has conducted international workshops and seminars. He currently lives in Earlyville, VA.

Our next inductee is also an author. **Barbara Welke Lambesis** graduated with the class of '63. While at PHHS, Lambesis participated in band, choir, yearbook, German club, GAA, FHA, Senior Play, and Y-Teens. After graduating from the U of M, Lambesis taught English and then developed a successful career in public relations and marketing. Yet, she still found time to volunteer and serve on numerous boards and represent the U.S. at international conference for women entrepreneurs. All revenue from her book *Brothers of a Band* is directed to the wounded warrior program and music education for students in low income school districts. Her novel will be for sale at the October luncheon with proceeds being donated to the PHHS Foundation. Lambesis splits her time between Phoenix and Paris.

Richard Toftness, class of '68, was the yearbook photographer. Toftness also participated in band, Hi-Y, science club, and cross country. Richard is a U of M

Hall of Fame, continued

graduate who worked his way through college by working for the U.S. Forest Service and the YMCA Camp Ihduhapi. His University engineering degree took him to a variety of international positions using his skills with cameras. Toftness won the 2012 Academy Award for his work on a revolutionary high speed camera. Recently, another camera that was Toftness' responsibility made it to the International Space Station. Retirement found Toftness raising funds to restore the hillside chapel at his beloved Camp Ihduhapi. Toftness calls Loveland, CO his home.

James Hays graduated with the class of '75. Hays found his extracurricular spot on the PHHS golf team. He earned his undergraduate and MBA from the U of M Carlson School. He is the CEO of The Hays Companies, a large international insurance brokerage company. Hays serves on several community organizations including the Board of Directors of the Boys and Girls Clubs of Minneapolis. Hays donates scholarship funds to Patrick Henry Graduates going onto college. Hays travels extensively throughout the U.S. and internationally, but calls Minneapolis his home.

**CONGRATULATIONS TO THE 2015 HALL OF FAME NOMINEES
AND INDUCTEES!**

Ross Bourgeois Memorial Scholarship

The 6th Annual Ross Bourgeois Memorial Golf Tournament was held on September 13, 2014, at the Centerbrook Golf Course in Brooklyn Center and \$1,600.00 was raised to be used as a scholarship for a student who excelled in mathematics or planned on majoring in mathematics in college. Third Wednesday of the month at Patrick Henry

23rd Annual Henry Alumni Golf Open

The 23rd Annual Henry Golf Open was held on August 10 at the Monticello Country Club. There were 78 golfers, of which seven were women. We hope in the future more women will continue to participate. There were some new golfers and classes represented this year. We had new golfers from the classes of 1953, 1961, 1963, 1966, 1970 and 1982. The weather was great, golf was golf, and the socializing was outstanding. We had 7 winners in the "Blind Bogey" with each getting \$57. The scores ranged from 84 to 114 for the "Blind Bogey". So everyone has a chance to win and what makes this event even more rewarding is the money that is raised for the Foundation. This year the event raised **\$4,490** for the Foundation. A **BIG THANK YOU** to all who participated. Next year's event will be on Monday, August 8, 2016 at Monticello Country Club. Mark your calendars now and plan to attend and join the FUN!
