The Hall of Fame Committee selection process is completed with integrity and credibility. Becoming a member of the Hall of Fame is a clear demonstration of a recipient having special, unique talents, achievements, and/or accomplishments. Please provide as much information as possible regarding your nominee to help the selection committee with their recommendation. Although Patrick Henry High School Foundation has changed its name to Camden Patriots Foundation, our commitment to celebrate the achievements of the Alumni of Patrick Henry High School continues. The Patrick Henry High School Foundation started the Hall of Fame in 2001 and updated it in 2023 to help ease gathering information. Nominators do not need to know or complete all criteria for submission. Plaques honoring the members are in the Gym Lobby and listed on our website (see link below). Members of the Hall of Honor can be former students, staff, and/or community members with ties to our high school that is located on the north side of Minneapolis.

- Students must be graduates of the school and have been out of school for a minimum of five years.
- Staff and community members do not have to be graduates and can be nominated at any time.

Please explore our website for past recipients of this award and more:
