

Triggs Ladies Inner Club
Tournament Sign Up Procedures
2022 Season

Weekly Tournaments

To reserve a spot in the weekly tournament, you must email Karl Augustine at triggs.ladiesteetimes@gmail.com by 6 PM on Monday for the upcoming weekend. Karl will only accept emails through the cutoff day (Monday) for signups for the upcoming weekend.

If you miss the Monday sign up, you can contact the weekly volunteer (see the Weekly Volunteer list under Inner Club Reference documents) to see if there are any open spots available. Do NOT call the Pro Shop and do NOT call Karl.

You can only sign up for the current weekly tournament for that upcoming weekend. You cannot sign up for future weeks.

Major Tournaments

There will be six major tournaments – tentative schedule as follows:

- Member-Member Tournament – Saturday June 11th
- 50th Anniversary / Memorial Tournament – Sunday July 17th
- Red Vs. Blue Tournament – Sunday August 14th
- Member-Guest Tournament – Wednesday August 17th
- Ryder Cup Tournament – Sunday September 25th
- End of Season Tournament – Saturday October 1st

Meals are included if you are playing these major tournaments.

Triggs is requiring advance sign up and payment for the major tournaments. Also, carts are MANDATORY for the major tournaments.

Sign up procedure for the Major Tournaments will be to call the Pro Shop to sign up and pay for the tournament. Sign up deadlines will be listed on the Tournament Schedule.

The procedure will be as follows:

1. Players who do not have a Triggs Season Pass will call the Pro Shop to sign up and give their credit card information for the greens fees and cart.
2. Players who have a Triggs Season Pass without carts will call the Pro Shop to sign up and give their credit card information for the cart.
3. Players who have a Triggs Season Pass with carts will call the Pro Shop to sign up.

Reminders

Always keep a separate ringer card each time you play. This card can either be submitted directly to Linda Albamonti or take a picture of it and text it to 401-602-7016 or email it to her at lalbamonti@cox.net.

You must post your score within twenty-four hours of participating in the tournament. Failure to post scores will result in disqualification from the weekly tournament and any potential prizes awarded for the tournament including ringers.

Also, for handicap posting, most scores are posted as “home” scores, but certain events that are significant to the club will be designated by the Handicap Committee as “competition” scores and should be posted as such. Examples are rounds played in the club championship matches, member-guest tournament, etc. Under the revised handicapping system, scores posted with a Competition, or “C” designation are not used any differently for the purposes of calculating a Handicap Index. The Competition score designation provides a way for Committees to evaluate if any players perform better or worse in competitive versus recreational rounds, which may be used during a handicap review.
