Barbara Davis – President

Robin Gershkoff - Secretary

Catherine Parente, Tonia Mason, Joyce Comstock – Governors

Sandi Harper – Treasurer

Missing – Alex Callam – Vice President

Special Meeting to Vote on Local Rule Changes

To eliminate any confusion on holes 8 and 15, the following rules have been changed and clarified. Upon final board review, Robin G will email membership so that everyone is aware and is abiding by the changes. The email will include rule reminders on casual water and lost ball.

Bob Ward (RIGA) and Karen Cabral (Triggs Rules Chair) have been consulted and approved our changes.

Effective June 12, 2022, the previous local rules on holes 8 and 15 are being eliminated. See the old rule and the clarification of the changes below:

Hole 8

Proposed change:

To clarify, between the tee and the beginning of the fairway, play the ball as it lies. There is no preferred lie allowed. If there is casual water, then the USGA casual water rules apply. Under the rules of golf, you may take the unplayable ball option with a penalty of one stroke. Also, the area on the right of the fairway bunker is considered a cart path. The washout area of bunker is an abnormal course condition. Free relief is 1 club length from your nearest point of complete relief.

Motion to adopt – Joyce, second Catherine. Board vote is unanimous

Hole 15

Proposed change:

To clarify, if your ball is in the ditch that crosses the 15th fairway, there is no free relief from the ditch or from the tall grasses that grow to the right of the tee box. If your ball is found, options are to play the ball as it lies or take an unplayable. If the ball is lost, then your option is to follow the rules for a lost ball. If there is casual water, then the USGA casual water rules apply.

Also, there is small gully in the fairway beyond the ditch. Any ball landing in this area is to be played as it lies in the fairway, however, you should be able to move it out of the gully with our current local rule of preferred lies in your own fairway within 6 inches no closer to the hole.

Motion to adopt – Robin G, second Joyce. Board vote is unanimous
