**Time:** 6:06 pm

**Adjourned:** 7 pm

**In attendance via Zoom:**

Tonia Mason - Secretary

Louise Thornton, Kathye Riquinha – Governors

**Absent:** Lillian McGee, Robin Gershkoff, Barbara O

**Previous Minutes**

Motion to formally approve April minutes passed. Kathye motioned, Louise second.

**Treasurer's Report**

There is nothing new on the report Barb O. sent on May 2. There are 51 members paid, balance \$12,750. Nothing outstanding.

**Old Business**

**Social Media update....**

Catherine looked at the Facebook page and found details about ownership and date created that indicated it was created before Robyn Sisti got involved. Barb D reported that Karl had no idea about when/how the page was created. Kathye spoke with Robyn previously and she will follow up with Robyn again to see if we can get password, etc. so we can move forward with regular postings.

Louise had mentioned that Sue Reavey might be willing to take on the Nominating Committee this year. Catherine will check with Sue again.

**New Business**

**Financial Records....retention/maintaining**

Barbara O. let Catherine know that she has 8 – 10 years of financial records. Board agrees it would be fine to destroy older financial records. Discussion around past records/archives being available on the website.

**Sales tax exemption**

We're not eligible for sales tax exemption. We had a discussion with Keith about this after him mentioning that he wouldn't be charging us sales & meal tax now that we are tax exempt. We are federally tax exempt from income tax.

**Hole #6 (ditch on the right/approaching the green....it divides hole 6 & hole 7)**

The men consider this a situation where they give relief. RIGA also considers this as a relief area during tournaments. Barb D. thinks we should consider doing this also. She will speak with Bob T and get a little more clarification before we decide just what we will do.

**Member/Guest change**

Tracy said she would be willing to do the M/G if it were on a weekend. Barb D. spoke to Karl and he suggested a date to consider. Other options include two dates we already have on the schedule. Barb D. will ask Tracy which date she prefers and report back.

**New Member Feedback**

Discussion around Board impressions on new members, any issues, members getting enough mentorship/welcoming, as well as tournament sign-ups among new members.

**Members request to post member contact info on the website**

We send the list to members and do not post due to privacy issues. Catherine asked Pam to explore a “member’s only” section for the website, for anything we may want to keep private. To be continued....

**Posting of Tournament Results in Timely Manner**

Catherine will ask Judy to send a message out to tournament volunteers reminding them to get results to Barb O for prizes and Pam for posting by the end of the week after.
