## TSSA Foundation Announces Additional Partnerships for 2019

**ROANOKE, Va. (April 2, 2019)** — Tree Stand Safety Awareness Foundation (TSSA) is pleased to announce that multiple additional partners will be joining TSSA this year in their efforts to elevate tree stand safety awareness. The following companies or organizations will be joining the other great companies making up Team TSSA for 2019:

- Bear Archery:* <https://beararchery.com/>
- HuntStand:* <https://www.huntstand.com/>
- Hurricane Safety Systems:* <https://www.hurricaness.com/>
- Sole Scraper:* <https://solescraper.com/>
- SpyPoint:* <https://www.spypoint.com/EN/>
- The Mason-Dixon Experiment:* <http://www.teammdex.com/>

TSSA President, Glen Mayhew said, “partnering with these great companies and an outdoors tv show will exponentially help amplify the message of tree stand safety. They value the importance of tree stand safety and want to make sure every hunter using tree stands does so with safety in mind.”

September is designated as Tree Stand Safety Awareness Month. September is the month that most hunters start heading back to the woods and hang stands in preparation for upcoming hunting season making it an opportune time to raise awareness about stand safety.

Hunters and members of the industry alike can help spread the message of TSSA Foundation. Visit the TSSA website at [www.TreeStandSafetyAwareness.org](http://www.TreeStandSafetyAwareness.org) or on social media at [www.facebook.com/TreeStandSafetyAwareness](https://www.facebook.com/TreeStandSafetyAwareness), [@TreeStandSafety](https://www.twitter.com/TreeStandSafety) or [Treestandsafetyawareness](https://www.instagram.com/treestandsafetyawareness) on Instagram.

TSSA Foundation is a grassroots 501(c)(3) organization that serves as an industry resource with its sole focus on significantly reducing treestand accidents through promotion, education and best practices.
