

Backwoods Bison RV Park is pet friendly and welcomes campers who travel and share their camping experience with their pets. However, to ensure all of our guests (both human and animal) have a safe and enjoyable time, it is important that you read and abide by the following pet policy. *Pets are welcome, but their owners must be well behaved!*

Pet Rules and Regulations

- NO PETS in the bathrooms, laundry room, or pool.
- Pets must be kept on a leash at a maximum length of 6 feet.
- Good behavior is required. Dogs must react politely to other dogs and to distractions.
- The dog must have no history of aggression or biting. Dogs of any breed that are hostile or aggressive are not allowed in the campground.
- All dogs must be current with vaccinations and rabies registration. Documentation must be readily available.
- No excessive barking. Excessive barking is defined as consistently barking for longer than 10 minutes.
- Pick up after your pet. This includes your site and also when walking your pet around the park. Place sealed pet waste bags in the dumpster. Not picking up after your pet is reason to be asked to leave the campground; and/or you may be assessed a \$100 fine per offense.
- Dogs are not to be left tethered outside without the owner present at the site. If the dog is tethered outside; the lead or leash is not to exceed 6 feet long.
- Aggressive dogs of any breed are not welcome. If your dog shows behavior that is protective and unfriendly to strangers, please leave it home. If you decide to bring your dog and it exhibits this type of behavior the owner or manager will ask you to find other camping accommodations. Backwoods Bison RV Park owners and affiliates shall be held harmless and assume no responsibility, implied or otherwise, for dog bites or any pet related injuries.
- Service dogs of any breed are welcome. However, these animals must follow the leash policies and may not exhibit aggressive behavior.
- No pets are allowed at food functions. Remember - cats are pets too, and the rules apply to them. They are not to be let out to run loose.

Violation of these guidelines can result in the guest being asked to leave the park without a refund.
