

# Lake Frederick Democrats and Independents

votebluelakefrederick@gmail.com, [www.votebluelakefrederick.com](http://www.votebluelakefrederick.com)

LFDI wants you to have all the information you need concerning how to vote. Please continue to check the *Events* page and the *Voting* page on our website, [www.votebluelakefrederick.com](http://www.votebluelakefrederick.com) for updates.

## REGISTER TO VOTE

First, in order to vote, you need to be registered to vote at your current (Lake Frederick) address. Even if you've voted before, in Virginia or some other state, you need to make sure that your information is current. You have some choices about how to do this. Normally, the easiest way for most people to register to vote in Virginia is to do so while getting their Virginia driver's license. However, due to COVID-related closures, this may not be possible. Fortunately, it's still easy to register to vote.

You can register to vote online by going to [vote.elections.virginia.gov](http://vote.elections.virginia.gov) and clicking on either the "Register to Vote" button or the "Check Registration Status" button, depending on which you need. Follow the prompts. Second, you can also register to vote by mail. We have paper forms that you can fill out and mail to our registrar in Winchester. Get in touch with your Street Captain and we'll make sure you get a form. Finally, you can register to vote in person. Bowman Library on Tasker Road has some Saturday voter registration events. You can call the library at (540) 869-9000 for exact dates and times.

Do this today!
