## Letter to the editor: Lake Frederick Democrats and Independents focused, mobilizing

Sep 17, 2020

If you missed the big rally at the iconic Family Drive-In Theater in Stephens City last Saturday, you missed a fun and informative event. Lake Frederick Democrats and Independents (LFDI) supported the Winchester-Frederick County Democratic Committee (WFCDC) in sponsoring the rally. The rally was well-attended, and we got to hear some great candidates speak out on their positions, including Jennifer Wexton, Irina Khanin, Ryan Hall, Richard Kennedy, and more. The drive-in venue was a brilliant idea, arranged by WFCDC; everyone had safe space (and everyone was masked).

LFDI has been raising money up and down the ballot for Democratic candidates. To date, LFDI has raised \$24,000. At the rally, LFDI Chairwoman Sharon Walters and fundraising coordinators Marv and Lee Davis presented a check to Bob Fuller, Chair of WFCDC.

LFDI now has 500 members and is focused on mobilizing and amplifying the voice of Democratic and Independent voters living in Lake Frederick.
