

HELP US CREATE CAMP MAGIC ALL YEAR

Donate to help support the mission and vision of Kimball Camp Outdoor Center to provide enriching outdoor experiences and educational opportunities for people of all ages.

Since its beginning in 1938 Kimball Camp has been a valued part of the community. Through our separation from the YMCA, and the building of an enthusiastic and talented staff we have the flexibility and passion to grow our impact, but we need your help to do it.

We are offering more for our community than ever before

- **Free community events:** Includes Kimball Claus, Candy Cabins, and Golden Easter Egg Hunt
- **Break Camps:** We've aligned our calendars with the local schools to offer break camps to support working families.
- **Updated Outdoor Education:** Reworked our outdoor education curriculum to support learning and standards in the classroom.
- **Venue Spaces:** Created a venue for your life events such as weddings, vow renewals, retreats, and family gatherings
- **Summer Camp:** Retaining that traditional summer camp experience that highlights the outdoors, recreation, and adventure. In the 2024 season we saw many returning campers and hope to continue to grow this program in the 2025 season ahead.

Hello!

I hope this letter finds you well. If we haven't had the pleasure of meeting yet, my name is Madelynn Whited, the new Executive Director here at Kimball Camp Outdoor Center. I am writing to share some of the exciting things happening here at camp as well as some of the needs we currently have, as we continue in our mission to provide a safe and enriching environment for all ages by fostering a connection with faith, community, self and nature.

We continue to be a staple non-profit outdoor education and recreation organization in rural Hillsdale and Branch Counties, while also serving students and adults from the tri state area. We pay homage to our founder, Ora C. Kimball, to creatively and intentionally guide us forward in the belief that camp is for everyone through the outdoors, recreation, and adventure. We are dedicated to eliminating barriers for rural children, and their families; by creating more opportunities for the greater community to experience camp programming through summer camp, outdoor education, retreats and rentals, we hope to continue providing services for many years to come.

Kimball Camp Outdoor Center is actively pursuing the development of new and exciting plans as we head into 2025, while continuing to cherish the history and legacy of Kimball Camp since its founding in 1938. Now as a fully independent entity, we have more flexibility than ever to be the camp and resource our community needs. This is where you come in! Through our separation from the YMCA at the beginning of 2024 and the building of a highly qualified and enthusiastic staff, we are in a great position to grow with the help of our community partners. O.C. Kimball, our beloved founder, modeled a life of service. Kimball Camp was erected through the collective giving of time, talent, and monetary means, an incredible effort spearheaded by Mr. Kimball. To continue this collective vision of service into 2025, we need your help!
