Parents inquiring about NHCL can obtain registration materials including student information forms, and student development history questionnaire by mail, online, and from the school. In consideration of the permission granted to my child by New Horizons Center for Learning to take medication during school hours, I hereby release New Horizons Center for Learning, its agents, officers, directors, and employees from all action, damages, claims, or demands which I, my child, my child's heirs, executors, administrators, or assignees may have against New Horizons Center for Learning, employees, administrators, officers, directors volunteers and agents and other above described parties for any adverse reactions or allergic affects which my child may incur by, or arise from, the administration of the following medication(s) in the dosages authorized by the parent/guardian to administer to the student by NHCL during the school day. If there is any change in any of the medications, dosage and administration of such medications listed below, parent/guardian will advise NHCL immediately.

Name of Medicine _____ Dosage _____ at (time) _____

New Horizons Center for Learning is authorized to store and preserve said medicine upon the premises and facilities of the school building or as it deems appropriate. All medications in pill form *that are administered on a daily basis* must be contained in a single week long pill box allowing for at least five (5) separated and labeled days of the week. The appropriate dosage for each medication administration for each day and time shall be prepared by the parent and placed in the appropriate days in pill box. The parent/guardian shall either pick up the empty pill box(s) at the end of each school week or they can be sent home with the student at the end of the school week. The parent/guardian shall then be responsible to **walk in** the filled pill box at the beginning of each school week to the front office and deliver it to the appropriate NHCL employee who is responsible for their administration so that they can be immediately stored in their designated place. NHCL **strongly discourages** the parent or guardian to send the full pill boxes to school with their student for numerous reasons, one of which they could become lost or get into the hands of other students, especially the lower graders, **so the parent/guardian must ensure all medications get delivered directly into the hands of a NHCL employee responsible for their administration at the beginning of each week at the front desk.** NHCL will label all pill boxes with the student's name and the time(s) in which they are to be administered. If the student is to get medication administered at two different times of the day, then two (2) pill boxes will be necessary. This policy is implemented is to cut down any confusion with medication administration. Children who are not on a "daily" medication regimen and take medication "as needed" MUST have most recent prescription bottle, child's name, doctor's name and instructions as to the time to administer. Further, New Horizons Center for Learning is authorized to destroy said

medication upon expiration of this release, expiration of the prescription or completion of medication treatment, unless picked up by the parents, whichever occurs first. Please list any prescribed medications taken at home. In case of emergency, paramedics need this information to evaluate the student.

Dear Parents/Guardians:

New Horizons Center for Learning compiles a **School Directory** annually and a list of families interested in carpooling. The Directory is useful for general information sharing, for emergency purposes and to give you access to the parents of your students' friends at school.

Your cooperation in completing the form below is appreciated even if you decide not to participate in either activity. When all forms are returned, we will know that all families have had an opportunity to read and consider whether they wish to be included in the Directory.

Directories will **NOT** be given out to students; parents/guardians must pick them up from the school office. New student information will be listed in our newsletters as it occurs; then you can add it to your Directory, if needed.

Please indicate either **YES, I WOULD** (and include your information) or **NO, I WOULD NOT** (sign and date the form) and **RETURN** it to the school office. Any questions, please call 876-1181.

Please Circle:
