Every year OLV families must apply for financial aid through TADS and must use the TADS tuition management system. Within TADS families may sign up for different payment options such as automatic bank withdrawal, credit card payments, or arrange to pay by cash or check at the school office. Families who choose not to apply for the TADS financial aid application will be required to pay the full cost of education of $10,500 per child. As you review the rates below, you will see that our school tuition is below the actual cost to educate children at OLV. A generous subsidy from the Daughters of Charity Foundation (DOCF) and help from other generous donors assist in covering the difference between tuition rates and the real cost to educate students at OLV. **Further financial assistance is available for families who qualify.** TADS applications are used to determine this need.

Please go to www.tads.com to begin completing your financial aid application. After submitting your financial aid application* and paying the registration fee, you will receive a TADS email telling you the amount of your tuition contract for the next school year. The final step will be to accept and set up your tuition contract agreement. Please start your application early since applications may take 4-6 weeks to review. **The due date is March 31, 2024.**

New student registration due upon acceptance to OLV School.

Methods of Payment

There are two options offered for payment of tuition.
- Option 1: full payment through TADS automatic bank withdrawal, cash, or check payable to OLV. Families who have no additional financial aid beyond base tuition rate ($5,250; $9,500; $13,250; $16,700) and who pay in full on or before August 1, 2024 will receive a $100 discount on tuition.
- Option 2: ten monthly automatic withdrawal from bank account through TADS. Regular monthly payment starts in August and ends in May.

At OLV it is our mission to provide our diverse student population with a comprehensive curriculum fostered in a Vincentian faith community that has as its model Jesus Christ. We are dedicated to making Catholic education affordable and accessible to families. With all this in mind, we have set a tuition rate with only a small increase for next school year. The registration fee is non-refundable and it is required before a new OLV Tuition Contract is offered.
