

UNSUNG HERO AWARD

The Unsung Hero Award is to be given to someone who does a task, assumes responsibility, provides resources or support fulfilling a need voluntarily and without thought of reward or recognition.

- ❖ It is for someone who has consistently supported and given time and effort to foster improvement and positive growth in the Farm Show.
- ❖ The award is not for those in leadership (appointed or elected) on a general basis because they receive thanks and recognition for their effort. They may, however, receive the award on the basis of the work and service noted above.
- ❖ The award is not a popularity contest but an effort to give recognition to those who work quietly behind the scene, who go the extra mile, and who make the Farm Show experience a little more special for all those involved.

Suggestions for those to receive this award should be given **to the Vice Chairman** during the Farm Show and by **5:00 pm on Saturday**. Please state the person's name in writing and include why the person is deserving of the award.

Selection is not based on the number of times a name is suggested but on the factors listed above.
