Weigh-in will be at the Culpeper Agricultural Enterprises on March 30, 2022 from 4 p.m. until 6 p.m. Pigs must be weighed and receive ear identification at this time. This will be the only accepted weigh-in to show and sell at the CMR Farm Show. A member may weigh in up to three hogs. **Hogs must weigh 100 pounds or less to be eligible to compete in the performance carcass evaluation or show.** He/she can show three hogs and sell two of the three. Hogs finishing under 230 pounds are not eligible for the performance carcass evaluation or sale. The project hogs must be fed and housed separately from the farm operation.

3. If a market hog project should die or have a severe health issue, it may be replaced by another comparable animal if done so before June 1, 2022. The Swine Department Chairman and Swine Committee members **must be petitioned in writing** for approval immediately in this occurrence. If the replacement hog comes from the pool of hogs weighed in on March 30, 2022 it will remain eligible for all awards. A replacement hog coming from an outside source is ineligible to compete in performance carcass evaluation, Division Championship and Grand/Reserve Champion Market Class.

7. Families which have multiple children competing and house their project animals on the same premises, may choose to reallocate one hog in the event another hog is deemed under 230 or over 300 pounds when the final weight is taken. One reallocation per family. **Must be declared within 30 minutes after weigh-in is complete.**
