RULES AND REGULATIONS

1. The exhibitor must establish ownership and the animal must be under the care of the 4-H/FFA member by April 4, 2018. Weigh-in will be at the Culpeper Agricultural Enterprises on April 4, 2018 from 4 p.m. until 6 p.m. Pigs must be weighed and receive ear identification at this time. This will be the only accepted weigh-in to show and sell at the CMR Farm Show. A member may weigh in three hogs. **Hogs must weigh 90 pounds or less to be eligible to compete in the performance carcass evaluation or show.** He/she can show three hogs and sell two of the three. Hogs finishing under 230 pounds are not eligible for the performance carcass evaluation or sale. The project hogs must be fed and housed separately from the farm operation.
2. Animals must comply with the State Health Regulations and be free of lice and mange. Department leaders will check this before animals are unloaded.
3. If a market hog project should die or have a severe health issue, it may be replaced by another comparable animal if done so before June 4, 2018. The Swine Department Chairman and Swine Committee members **must be petitioned in writing** for approval immediately in this occurrence. If the replacement hog comes from the pool of hogs weighed in on April 4, 2018 it will remain eligible for all awards. A replacement hog coming from an outside source is ineligible to compete in performance carcass evaluation, Division Championship and Grand/Reserve Champion Market Class.
4. The Grand Champion and Reserve Champion hogs must be sold.
5. There will be no open breeding show. The show chairman reserves the right to add breeding gilt classes or division. Entrants are to come from the pool of market hogs already on premises.
6. Hogs weighing less than 230 pounds or more than 300 pounds may not be shown in the market classes. (Only one weight will be taken.)
7. Families which have multiple children competing and house their project animals on the same premises, may choose to reallocate one hog in the event another hog is deemed under 230 or over 300 pounds at the final weigh in. One reallocation per family. Must be declared within 30 minutes after weigh-in is complete.
8. All hogs must be washed and nose rung before unloading upon arrival at the Farm Show. Strictly Enforced. Unloading on the back dock ONLY.
9. Entry fee is \$8.00 per head for non-sale animals and \$25.00 per head for sale animals (\$25.00 sale animal entry fee includes buyer rosette, buyer recognition ad, buyer hospitality tent, and entry fee). An entry fee will be required in order to participate in the breeding division. This fee must be paid once the eligibility criteria is determined at the conclusion of the weigh-in.
10. Premiums on classes are: 1st - \$6; 2nd - \$5; 3rd - \$4; 4th - \$3; 5th - \$2; and 6th - \$1. Premiums on Showmanship Classes shall be: 1st - \$12; 2nd - \$10; 3rd - \$8; 4th - \$6; 5th - \$4; and 6th - \$2.
