

# Giant Hay Bale Competition

This competition is open to all CMR Departments that want to meet the challenge of making a giant hay bale look like an animal or farm equipment. The bales will be provided by Ashland Farms. Bales can be decorated Wednesday, Thursday and Friday. The winning department will be treated to ice-cream.

## Guidelines:

1. Ashland Farms will provide one 4x6 bale of hay. You are only allowed to use 1 round bale. All other items used will need to be provided by your department.
2. Design and installation of these bales shall reflect the work of the exhibitors as assisted by the department heads as appropriated.
3. Each department is responsible for providing a laminated sign for their bale that includes the department's name and title for the bale.
4. No creation can be taller than 8 feet when completed.
5. All items attached to the bale to complete the work of art have to be securely attached to the bale and be weather resistant. Your work needs to remain attractive throughout the 5 days of the fair.
6. The size of the finished structure can be no longer than 12' long x 12' width x 8' high.
7. All items used in the design should be picked up on Tuesday, July 17<sup>th</sup> at clean-up. Any items left after this date will be considered abandoned and will be considered as trash.

Judging of the bales will be done on Friday, July 13<sup>th</sup> at noon. Judges will be asked to consider the artistic quality of the work as well as the likeness to an actual animal or farm equipment that is being depicted.
