Program Details & FAQs

Location & Parking:

Located just 20 miles from downtown San Diego, Jamul Trails Ranch is the ideal escape from the everyday hustle. Parking is available right in front of the ranch.

Jamul Trails Ranch
2865 Echo Valley Road,
Jamul, CA, 91935

Unplugged Experience:

At City Slickers, we're excited to give your camper an unplugged experience, swapping screens for hands-on learning, outdoor adventures, and meaningful interactions. During camp hours we ask that cell phones are only used at breakfast, breaks and lunch.

Accommodations & Safety:

- Safe & Secure: Fully gated property
- Full bathroom available
- 3 wash stations across the ranch
- Cold, filtered water available all-day
- Picnic tables and shaded spots
- Max 10 campers per session
- Opt In daily updates on your camper
- All campers must sign our waiver prior to their first day

Food & Refreshments:

- Early drop-off campers will cook breakfast together w/ fresh ranch eggs!
- Campers bring their own lunch
- Filtered water is available for refilling
- Daily Snack Provided
- Full-week campers get a pizza & ice cream party on Fridays
- Add a pizza/ice cream for \$15

Earn the Jamul Trails Ranch Hand Certificate!

- Campers who complete all 10 skill-set days will receive a certificate of completion, officially verifying their ranch skills and training.
- Personalized Endorsement – Each participant will receive a written endorsement from Jamul Trails Ranch acknowledging their hard work and skill development.
- Flexible Completion – Campers can finish the 10-day course all at once or over time.

Why These Skills Matter:

- Ranch & Farm Job Opportunities – With over 1.9 million farms and ranches in the U.S., these skills open doors to future job and volunteer opportunities.
- Valuable Work Experience – A verified ranch skill set can help students work through college, find part-time jobs, or gain hands-on experience that sets them apart.
- A Rare Opportunity – Most kids in California never get the chance to learn true ranch skills—this camp provides an experience they'll carry for a lifetime!

What Kids Will Do & Discover at City Slicker's Day Camp

A Hands-On Ranch Adventure

Kids don't just learn about ranch life—they live it! Each day is filled with hands-on experiences, exciting activities, & fun challenges that turn farm work into an adventure.

Water Wizards

Splash into water management by helping keep animals hydrated, and plants thriving, and even setting up a working water system.

Feed & Care for the Animals

Kids learn what, how, & why to feed each animal for their health and happiness. From meal prep to feeding time, campers connect with animals like never before!

Underwater Explorers

Build and take home a fully functioning aquarium while discovering how fish tanks work (water changes, filtration, and the cool science behind them).

Horse Time!

Groom, tack up, and lead a horse like a pro. Plus, kids will get in the saddle for basic riding lessons, learning to steer, control, and care for their horse.

Messy But Mighty!

Get creative while building & maintaining animal homes and exploring eco-friendly solutions—and yes, that includes learning how waste is managed on a ranch - poop scooping included!

Little Fixers

Campers will tackle fence mending, shelter building, and creative problem-solving, gaining real-world skills while having a blast!

It's not all work and no play!

Each day is packed with hands-on activities, group challenges and friendly competitions that make learning feel like play. Campers will leave with new skills, lasting friendships, and amazing memories!
