

As an aspiring novelist, I hope to establish my brand as a Florida author focused on atmospheric, suspenseful, and historical Florida fiction.

## EXPERIENCE

### Owner & Photographer

Debra Eby Photography Co.

2010-2025

Fine art wedding photography was born from a love of visual storytelling. Though based in northeast Florida, couples have commissioned my work in Bermuda, Puerto Rico, Savannah, and Canada. These love stories have been featured in numerous online publications and in print with magazines such as Wedding Bells, Tampa Bay Weddings, and Occasions Magazine.

### Coach & Coach Trainer

CollegePlus! (now Pearson)

2006-2010

- As a coach I guided our students through the online world of university education.
- As the Coach Trainer I adapted life coaching materials into an academic-focused manual that corresponded with my training video series. I also supervised the remote coaching staff.

### English Communications Instructor

Xinhua Compassion High School, Pinghu, China

2004-2005

I taught English communication skills to Chinese high school students with a focus on essay writing and speaking fluency. My adventures were featured in a highlight piece that I wrote for The Villages Daily Sun.
