

# Friday, March 19th

## Peep Houses

Supplies Needed: One Box of Toothpicks, One Bag of Jelly Beans, One Peep

### Directions:

Building with jelly beans offers many learning opportunities for kids. Problem-solving, designing, planning, and building all come into play when you start building with jelly beans and toothpicks. You have to create supports, balance weight evenly, and determine the size and shape.

What will your Jelly Bean House look like?!
