

## Carter Viss Art Commission

There are three different sizes and estimated times for completion:

1. **4.5 x 6.5 inches** (approximately 8 x 10 inches when framed). Estimated time for completion is about three weeks. **\$200**
2. **7.5 x 11.5 inches** (approximately 12 x 16 inches when framed). Estimated time for completion is about four weeks. **\$300**
3. **10.5 x 13.5 inches** (approximately 16 x 19 inches when framed). Estimated time for completion is about five weeks. **\$400**

The buyer can request a color for a frame and mat. The default frame and mat color will be black.

The buyer must pay for shipping in addition to the cost of the commission. The shipping cost in the US will vary based on the size but a good estimate is between \$50 and \$100.

**The buyer can request any animal, including pets!** The buyer must provide pictures of the pet for reference.

I will write the Latin name of the animal on the bottom center of the drawing unless told otherwise. For pets, I will write its given name and not its Latin name on the drawing unless told otherwise.
