PRESIDENTS REPORT

The annual toy sale was held over the weekend of 2/3 November 2024. Thank you to all the members who gave their time to assist over the two days. It goes well beyond those two days however, as the toys and other items for sale are made throughout the year. A simple thank you doesn't seem adequate when you think about the time and effort that goes into making the toys, year in year out. It is this effort that keeps this club going.

I will not name names but as President I wish to express my appreciation to those members for their generosity of time and effort. It doesn't end there either with the toys to be given to the five charities on 20 th November.

The Cook Awards and Raffle is on again this year. It's a little different to previous years and will be drawn in February 2025. The Cubby House has 60 books to sell (10 tickets per book). The tickets sell for \$3 each or if a book is purchased the price is \$25. This is the chance for all members to be involved to raise funds for the club.

Upcoming events

- The Maxi Day on 16 th November 2024
- Toy pick up – Charities that we support will come to the club house on Wednesday, 20 th November 2024 to collect their toys. All welcome to attend
- Bunnings Christmas Market – 5 th December 2024 from 6pm to 8pm. We would appreciate any help to man our stall

Until next time continue to enjoy your woodturning and/or woodworking.

Phil Dean
President
