PRESIDENTS REPORT

Well, there is not a lot to report this month.

We had a successful toy week in April with construction well under way for many of the toys. More toys weeks will be required as the year progresses so if you can share a few hours, it would be gratefully received.

The Bunnings BBQ was also successful netting around \$1,500. Again, we need help on these days even for an hour or two.

There is no further information in regards to the proposed Masterplan Design for the Oyster Bay Oval which includes the Cubby House clubhouse. We will be looking to have discussions with the Council over the coming months.

The COVID virus has not gone away and we must always be vigilant, particularly when mixing in public places.

Upcoming events:

- After the Mini Day on Wednesday, 31st May we will be having a cleanup around the clubhouse. Wood and other items will be thrown out so now is the time to get some if you want it

Until next time continue to enjoy your woodturning and/or woodworking.

Phil Dean
President

A Couple Goes to Marriage Counselling But Never Expected The Therapist To Do this

After 30 years of marriage a husband and wife came in for counselling. When asked what the problem was, the wife went into a tirade listing every problem they had ever had in the years they had been married. On and on she went: Neglect, lack of intimacy, emptiness, loneliness, feeling unloved and unlovable, and entire laundry list of unmet needs she had endured.

Finally, after allowing this for a sufficient length of time, the therapist got up, walked around the desk and after asking the wife to stand, he embraced the kissed her long and passionately as her husband watched – with a raised eyebrow.

The women shut up and quietly sat down as though in a daze.

The therapist turned to the husband and said, “This is what your wife needs as least 3 times a week.” Can you do this?

“Well, I can drop her off here on Mondays and Wednesdays, but on Fridays, I fish.”
