## ***PRESIDENTS REPORT***

We have been encouraged by Sutherland Shire Council put in a submission regarding the future plans for the club house. The Council has a draft masterplan design for the Oyster Bay Oval which includes the Cubby House.

The Council would like a multipurpose building however this would be unacceptable to the club. Staff from the Council were invited to meet with the club committee (at the club premises) on Friday, 9<sup>th</sup> September 2022 at 2pm to show them firsthand what the club does and the amount and type of equipment we have.

The Council staff were suitably impressed with what we have and do. They stressed that it was important for the club to lodge a submission which should outline our future housing requirements and needs for the club.

At the September Maxi Day (17/9) Sutherland Shire Councillor Jen Armstrong (Ward C) called to have a look at what we do. Jen was impressed what she saw and mentioned it was important not only for the club to put in a submission but individuals to do the same or complete the online survey on the Councils website.

**IT IS VERY IMPORTANT THAT AS MANY MEMBERS, FAMILY AND FRIENDS COMPLETE THE SURVEY.**

The COVID virus has not gone away and we must be always vigilant when mixing in public places.

- Arts Theatre Cronulla – Wednesday, 19<sup>th</sup> October 2022. This is a Charity preview for the play “Dial M for Murder”. The tickets are \$30 each with \$20 going to the Cubby House Turners and Woodies. This is a great opportunity to have an enjoyable night out and raise funds for the club. Please consider asking family and friends and try and get as many people as possible to go. We need to have numbers as soon as possible and for further information please contact Phil Dean on 0416 090289 or Glenn Lavender on 0417 482452
- Maxi Day (15/10) Demonstration – Custom tools & jigs – Host – Paul Higgins
- Bunnings BBQ – The next BBQ will be on Saturday, 12<sup>th</sup> November. We will also have a stall to sell our toys etc. This is an important fundraiser for the club so all the help we can get would be appreciated

6. General Business

- Draft Masterplan Design – Oyster Bay Oval. The reason for a Friday meeting was to meet SSC staff (Diarmuid O'Reilly, Kelly Dees, and Justin McLaren) on the latest proposal for Oyster Bay oval and surrounding precinct which the cubby house resides.

The latest draft proposal has included many possible changes to the cubby house as it stands today.

The meeting with SSC staff was very positive in which we presented our case to retain and expand the Cubby House including our charity works and the mental health aspects of what the Cubby House provides to members and patrons.

Phil Dean is working on a collective response to this new proposal on behalf of all Cubby House members however we encourage all members to have your say to support the cubby house and our endeavours to be a part of the proposed changes.
