

## Waiver of Liability

The client voluntarily agrees to be the subject of a Quantum Healing Hypnosis Technique (QHHT) session, which involves Hypnotherapy, Spiritual Coaching, and Past Life Regression. Except in the case of gross negligence or malpractice, I or my representative(s) agree to full release and hold harmless Crystal Antell from and against any and all claims or liability of whatsoever kind or nature arising out of or in connection with my session.

### DISCLAIMER / WARRANTY

Crystal Antell is neither a trained psychologist or a medical doctor. The client hereby agrees and requests to be hypnotized and acknowledges that hypnosis is a potentially powerful mental and physical regulating tool. The client understands that personal results will vary and there are no expressed or implied guarantees or warranties of results. The client is fully informed of the nature and usefulness of QHHT. Further, the client is aware that QHHT is spiritually based in nature and any information that comes through is coming from their Soul (aka: Higher Self, Subconscious, Oversoul, Higher Conscious, Christ Conscious, etc.). If the client gets information from their Soul regarding any changes in their health protocol, the client takes full responsibility and will take it upon themselves to consult their healthcare provider if the client deems necessary after their QHHT session.

### SESSION RECORDING

All personal services are recorded at no charge, as a free service to the client. Crystal Antell does not guarantee that the recording will be audible, fully intact, or usable. Crystal Antell will not be responsible, nor issue a refund, for non-recording, defective, or damaged recordings. Further, the client gives permission for Crystal Antell to use some of the session material and audio in print and/or discussion. Crystal Antell guarantees if she uses the information in print or discussion it will not be used in conjunction with the client's name or personal information without further written permission from the client.

### METHODS USED

Crystal Antell employs hypnotherapy, her intuitive abilities, and spiritual coaching techniques to facilitate the client's quest for self-improvement. Specific techniques may include Body Relaxation, Directed Meditation, Past-Life Regression, and/or Psychic Insight.

### SCHEDULE, RESCHEDULE, LATE ARRIVALS, AND REFUNDS

The client understands that there is a \$200 non-refundable fee to schedule an appointment. The client understands that the remainder of the session fee is due no later than 72 hours before their scheduled appointment. If for any reason the client needs to reschedule the appointment, they may do so as long as it is 48 hours before the session. The first time the session is rescheduled, there will be no charge, as long as it is before the 48-hour time frame. Any further rescheduling will require a new \$200 non-refundable fee to be paid. If the client is Covid positive, showing proof of a current Covid-19 test (this includes either a doctor's office paperwork, or a picture of the positive at-home Covid test with the client's driver's license and phone showing the date, next to the positive Covid test) will be required, and they may reschedule their appointment within the 24-hour time period, without a \$200 penalty fee. Any changes made after the 24-hour time period, or on the day of the session, will result in the appointment being cancelled and the \$200 fee, for the session, will not be refunded. Unforeseen things can occur, so a 30-minute (arrival) grace period is granted, as long as the client is in contact, with Crystal, and does not exceed the 30-minute grace period for the appointment. However, if the client arrives after the grace period (of 30 minutes) for their appointment, the appointment will be cancelled, and no refunds will be given.
