

Dear Sheltering Tree Supporters,

We are excited to participate in a fun and easy fundraising opportunity!

The Sheltering Tree will receive a portion of all donations raised during the Oceans 50 Relay Race on Saturday, November 7th, 2020. All we need is for volunteers to sign up for 3-hour shifts at various points throughout the race!

There are 5 simple steps:

1. Sign up for the time and location that works best for your schedule
2. Make sure you put “The Sheltering Tree” as the organization you are supporting
3. Be present on Nov. 7th to either hand out water or time the runners coming through
4. Hand in time sheet and make sure the area is clean before leaving
5. Know that your time benefits many in our community who need services and supplies

Below is the link to sign up as a volunteer –

Please let us know that you signed up by emailing us at flaglershelteringtree@yahoo.com

Thank you for your generous support!
