Snyder County Truck & Tractor Pullers

Dear Future Sponsor,

At Snyder County Tractor Pullers, we are on our way to becoming a big name in the state of Pennsylvania for Truck and Tractor pulling. We have been around for over 35 years. When the Snyder County Tractor Pullers first started out, we were a small pulling organization. Now we travel across Pennsylvania to pull at different fairs and tracks. This upcoming season in 2020 we are looking to become even bigger.

In 2020 we are planning on having five truck and tractor pulls at our hometown track in Selinsgrove, Pennsylvania. Along with our hometown pull, there will be a total of ten or more pulling tracks we will be displayed at. At our hometown pull we are looking forward to raising more money to help pay the pullers and many more cost for truck and tractor pulling each night.

However, we believe that our club will grow and go even farther with your help as one of our official sponsors.

During this great time, your business would provide great help in sponsorship, and in return we would promote your company at our events, using banners, put your company logo on our website, Facebook advertisement, give you season passes and etc.

With you by our side at this upcoming season, we would achieve great success.

If your company is interested in being an official sponsor, please reach out to us at [Jeff Radel: cell (570)-765-8581; home (570)-374-1002; email jeffkatr@outlook.com]. We can't wait to hear back and hope we can help each other out! Thank you!

You can check us out on Facebook & Instagram at Snyder County Tractor Pullers or our website (www.sctpapullers.com).

Sincerely,

President of SCTPA Jeff Radel
