OUR MISSION

At Business Interruption Consulting, LLC, our mission is to provide expert forensic accounting and advisory services, ensuring our clients receive thorough, accurate, and defensible financial analysis. We specialize in claims preparation, economic damages, financial forensic investigations, and construction dispute resolution, offering clear and reliable guidance throughout legal processes. Our commitment to integrity and meticulous execution empowers our clients to achieve fair and just outcomes in their financial and legal challenges.

At Business Interruption Consulting, we offer comprehensive litigation services to provide expert financial analysis and support throughout the legal process. Our team of forensic accounting professionals specializes in assisting clients and legal teams with complex financial disputes, ensuring that financial data is thoroughly examined and accurately presented in court. We analyze key financial documents, identify inconsistencies, and quantify economic damages, providing clear, fact-based insights that strengthen legal arguments.

Our litigation services include expert testimony, where our professionals explain complex financial matters in a clear and concise manner to judges, juries, and arbitrators. We prepare detailed reports, financial models, and exhibits that outline the financial impact of disputes, helping legal teams build strong cases. Whether the case involves contract disputes, fraud, embezzlement, business valuations, or intellectual property matters, we ensure that the financial aspects of the case are fully understood and presented effectively.

From the early stages of litigation through to resolution, our team is dedicated to providing reliable, objective financial analysis that supports favorable outcomes for our clients. By working closely with attorneys and legal professionals, we offer the financial expertise needed to navigate the complexities of litigation and provide a solid foundation for case success. Our goal is to deliver high-quality financial insights that are integral to achieving just and equitable results in legal disputes.
