OUR MISSION

At Business Interruption Consulting, LLC, our mission is to provide expert forensic accounting and advisory services, ensuring our clients receive thorough, accurate, and defensible financial analysis. We specialize in claims preparation, economic damages, financial forensic investigations, and construction dispute resolution, offering clear and reliable guidance throughout legal processes. Our commitment to integrity and meticulous execution empowers our clients to achieve fair and just outcomes in their financial and legal challenges.

At Business Interruption Consulting, we provide expert dispute advisory services designed to support clients in navigating complex business and financial disputes. Our team of seasoned professionals assists in evaluating the financial aspects of disputes, providing detailed analysis and reports that help quantify damages and support legal arguments. We work closely with clients and legal teams to assess the financial impact of disputes, whether they involve contract breaches, partnership dissolutions, shareholder disagreements, or other commercial conflicts.

Our services include forensic accounting analysis, expert testimony, and the preparation of financial models that are essential in determining the true economic impact of a dispute. We focus on delivering clear, accurate, and well-documented financial insights, whether for mediation, arbitration, or litigation. By identifying key financial issues and analyzing the underlying data, we help clients understand their financial standing, forecast potential outcomes, and develop strategies for resolution.

Our dispute advisory team also provides critical support throughout the negotiation process, helping clients achieve favorable settlements or judgments. With a deep understanding of financial and legal intricacies, we offer unbiased, fact-based analysis that serves as a foundation for resolving disputes. Whether in the courtroom or at the negotiation table, our goal is to provide clients with the financial clarity and expertise needed to protect their interests and achieve a successful resolution.
