Tuition Details

Tuition is a flat, monthly rate and includes the Better Practice App.

Monthly tuition installments are due the first week of every month, and payment should be received no later than the 7th day of each month.

Monthly tuition is calculated annually based on 44 lessons from the beginning of September until the end of August, and remains constant regardless of the number of lessons received in any given month.

Payments received after the 15th day of each month will be charged a late fee that is 20% of your monthly tuition.

You will be asked to set up ***auto-payment*** via the “Current Student Sign up Form” on my website. These payments are made using Stripe.

Discounts

A *\$10 credit* will be given for each review given on Facebook and/or Google.

A *20% discount* will be given towards your next monthly bill for students who sign up for lessons/classes from your direct referral.

Discounts are available for lessons during “off-peak” hours (before 3:30 PM) or for financial need.
