Session III

1980

by
Kimberly
Winterle

Dear Campers:

I hope these past two weeks have been an opportunity for you to love, to grow, to give and to become a part of the out-of-doors. I know the CBC Spirit has shown you the way for bright and shining personal goals; therefore, my thoughts for you . . .

Climb "Til Your Dreams Come True

Often your tasks will be many,

And more than you think you can do . . .

Often the road will be rugged

And the hills insurmountable too . . .

But always remember, the hills ahead

Are never as steep as they seem . . .

And with Faith in your heart stand upward

And climb 'til you reach your dream . . .

For nothing in life that is worthy

Is ever too hard to achieve . . .

If you have the courage to try it

And you have the Faith to believe . . .

For Faith is a force that is greater

Than knowledge or power or skill . . .

And many defeats turn to triumph

If you trust in God's wisdom and will . . .

For Faith is a mover of mountains -

There's nothing that you cannot do . . .

So start out today with Faith in your heart

And "Climb 'Til Your Dreams Come True"

Mrs. "K"

I AM CAMP

I am camp.

I am sunlight, a sheen on the water, a mist on the mountains and stars.

I am a doorway out of the commonplace into a new adventure and experience.

I am a place where youth learns the joy of play without a sting,

of fellowship without regrets, of creative effort that wearies not,

of a good time that leaves no headaches or heartache behind.

I am a new Purpose for life that will make the years different.

I am Noise - and silence with a thrill in it/.

I am Laughter - and quiet resolution that seeks the comfort of the hills.

I am Energy - and the touch of loving service.

I am Youth - and the slowly emerging habits that make matured experience

worthy.

I am Today and Tomorrow that is being shaped.

I am a Giver of Gifts - that pass not away, that time will not change,

that poverty will not quench, that riches will not deceive.

I am Habits, Ideals, Ways of Living, Confirmed Attitudes in the Soul of Youth.

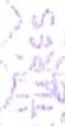

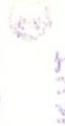

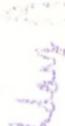

Because I am all these, and more -- I invite youth into fellowship with me.

I am camp.

Hi Gabg---

Boy, did this session fly by! It seems like just yesterday you were walking onto the porch for registration. But so much has happened in these two short weeks . . . a short Gypsy Night Watch, a long dance at the brother camp, the C.I.F.s became certified cave women at Purgatory, the intermediates became certified pioneer women at George Washington State Park, a lot of people became Polar Bears on Sunday, we realized we have some Olympic Canoeers on staff, we heard some ghostly tales of graveyards from the seniors, we had a red hot dance with the brothers here and then cooled off with a few water fights the next day. It's been a busy session with all these things. I hope you've learned and grown with your diabetes. Remember that taking care of your diabetes makes you feel good physically and mentally. Have a healthy year.

Keep moving,

Lisa R.

Hey You Guys!

It can't be the end of the session - I could have sworn that this was last week, but what else is new!

So much has happened in the last two weeks . . . Gypsy Night Watch was fun despite the heat and the fact that we got lightning on, but you didn't want to sleep out anyway, did you? Rumor has it that a record will be set by the "Left Sides" as a result of the sing down. And what about the continuing saga of "Where's Bufferville." (The concluding chapter may be written next session.) Those wild women of Intermediate division have appalled us once again . . . They did what with who on their overnight to George Washington and I'll be having nightmares if I hear 'Give Me Oil in my Lamp' one more time.. And then there's Juanita and "La Cucharacha."

I couldn't forget the Juniors - why were they finger-printed at the station. And we had an excellent time at the cemetery - we dined with Clara and her family. Speaking of graveyards, the Seniors went grave-hunting at Otter River and brought me back some bones - alright, who killed the dog. Water Day was wet! (Ha! Ha!) But puddle jumping was muddy.

It's a good thing that Junior Division made headstones for the CITs when they were at the graveyard because we all know that the CITs got KILLED at the CIT/STUFF softball game.

A.J. will knock me out if I don't get this letter in . . .

I just want to thank every one of you for making this session special. Hopefully, you've learned more about yourself and your diabetes while you've been here and continue to do so at home. Take care of yourselves in the coming year; I'll be thinking of you. . .

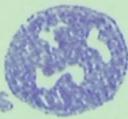

Love Always,

CATHY

SUPER INSULIN GOES TO THE MOON

by Susan Polo

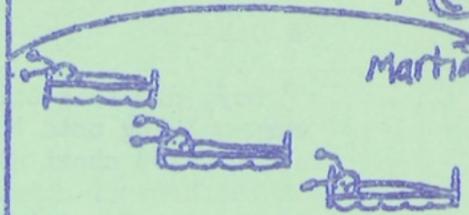

Super I. was going to the moon. Martians need insulin.

Meanwhile *

Martian

The Martians are sick in bed.

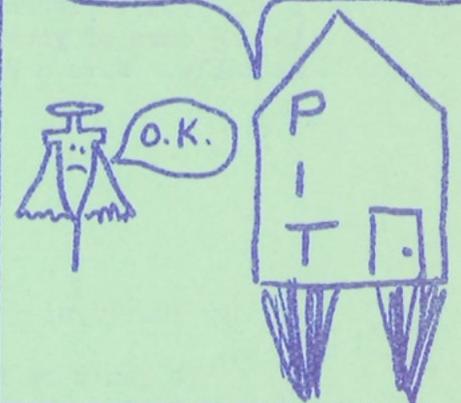

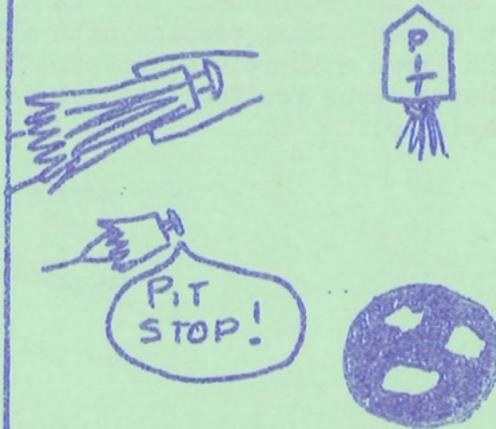

(side kick Little Squirt)

Super I. and Little Squirt are flying to the moon fast. Little squirt is coming to give the shots.

WAIT A MINUTE!

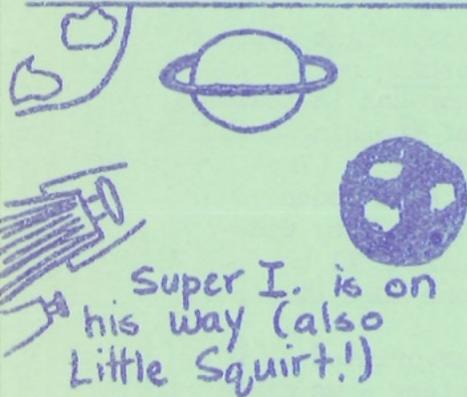

Whoops! Wrong turn!

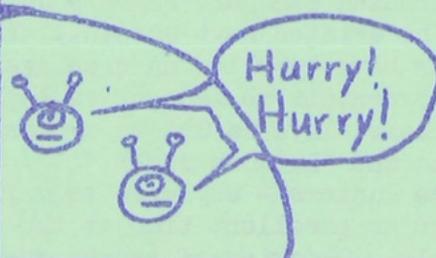

O.K.

In case you didn't know, the Martians need insulin because they're DIABETIC.

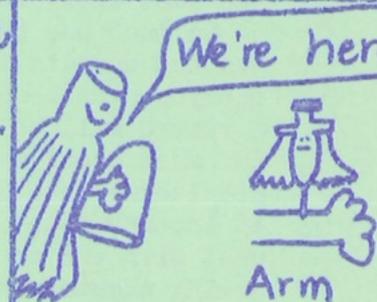

We're here!

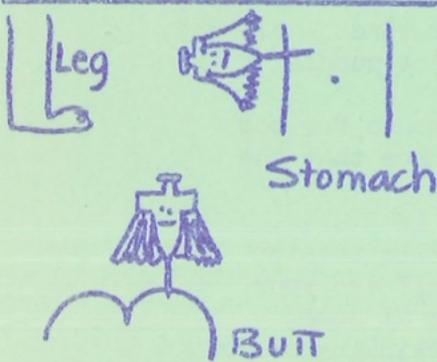

Super I. is on his way (also Little Squirt!)
