Clara Barton '85

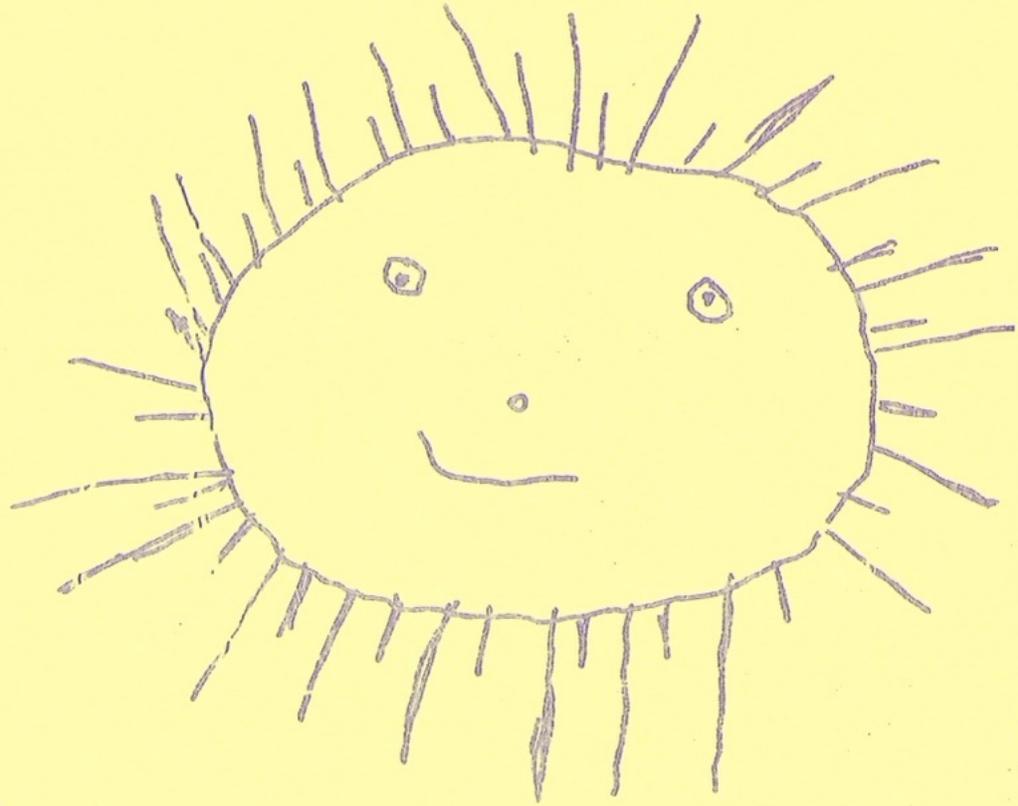

Dear Second Session Campers,

~~Although our time together during this session was shortened~~
2 (~~I hope that you were able to learn a little more about your~~
diabetes, to have fun at activities, to re-kindle friendships,
and make new friends but most importantly to share thoughts
and feelings about living with diabetes.]

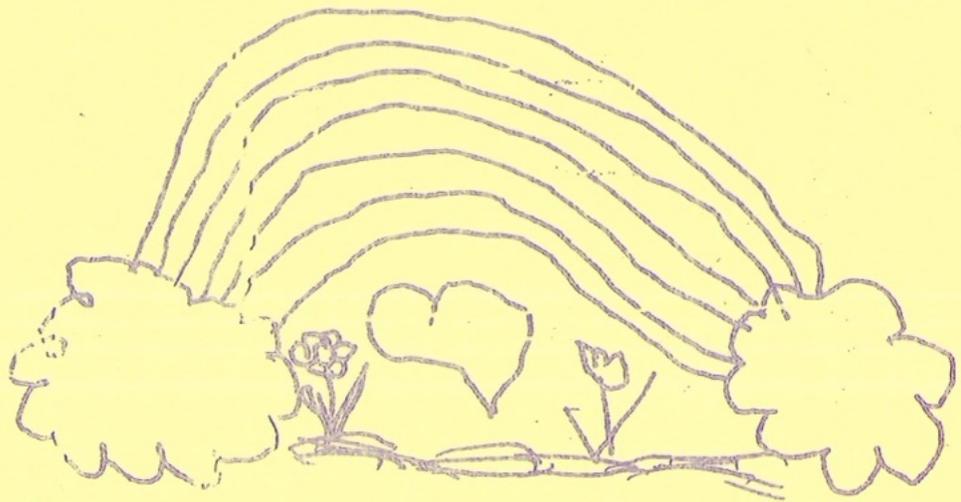

For me, second Session campers, the Barton spirit proved to
be our strength - you are all a part of that spirit. Keep in
touch with other campers and staff this year.

See you all next summer.

A handwritten signature in cursive script, appearing to read "Lisa".

Its always sunny at Clara
Barton Camp.

Green Trees

Green trees around us, blue skies above
Friends all around us, in a world filled
with love. Taps sounding softly, hearts
beating true. As campers sing good night
to you.

No Thanks

No, No thank you,
Not right now.

I'm too young,
I don't know how.

Drugs are bad,

That is true,
I won't take one
or two from you.

The Girls From Barton Camp

Were the girls From Barton camp you hear so much about. The people always look at us when ever we go out, Were not FOR are wisdom and the naughty things we do, But what the heck Do we ~~care~~ care The Boys are naughty too. As we ~~to~~ marching and the Band begins to P-l-a-y You'll hear us shouting The girls from Barton camp are on their waaaay.

Oh, The Barton bunch are the truest and the best And we keep things going and we never take a rest, And we have one yell and we yell it all the time And it goes like this: --- Camp Barton Forever!!!!!!!

BARTON ALMA MATER

THE HILLS AND POND
ECHO OUR SONG
SEND SOFTLY BACK OUR
LOVE FOR YOU.

AND IN THE TWILIGHT GLOW
WITHIN EACH HEART WE KNOW
OUR SPIRIT AND LOYALTY WILL
GROW

AND THOUGH WE LEAVE WE'VE
JUST BEGUN TO RAISE OUR
BARTON SONG AS ONE;
AND AS WE SING THE
ECHOES FALL,
BRINGS A GREATER
WARMTH TO ALL.

Quotes

"Life is not made up of big moments... but ordinary days. When there is no one to pat you on the back or cheer you or notice you, you must give your best on ordinary days, and big moments will come now and then."

"When you believe in yourself you tackle a problem, you study every facet of it, you work hard and then you do the best you can. If you follow this policy you will live a creative and successful life."

"Love hurts, but not loving hurts a great deal more."
