Melinda Rodriguez

Dear IV Session Campers and Staff,

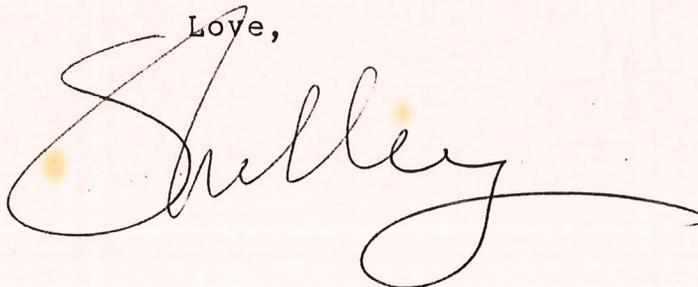

It is really hard for me to believe that the summer is over and that very soon Ross, Brittany and I, along with the Young family and Carole, will be the only ones at camp. I will miss you all. Each time I walk down to the pond or back to the campfire site I will remember all the good times we've had and it will make waiting for next summer a little easier. Believe me, I can't wait.

Making new friends and being reunited with old friends is very special. Friends make CBC an incredible place. This was my first summer here and I can truthfully say that I have become close to all of you here at CBC, and each of you will leave a special memory. I hope you will remember to stay in touch with your CBC friends over the winter (including me) and will come back next summer to rekindle old friendships and make new friends.

It has been a tradition at CBC to light your campfire candle on Christmas Eve in memory of your time at Clara Barton Camp and to honor Clara Barton, a woman of great strength and determination. This camp was started on her family's property as a tribute to her life long work. For fifty-four years, CBC has been a fun place to come to during the summer. I am delighted to be a part of it and I am delighted to share the experience with each of you. You know, **Clara Barton Camp is a very special place!**

I'll miss you all.....

Love,

CAMP SONGS

FRIENDS, FRIENDS, FRIENDS

Friends, friends, friends we will always be
Whether in fair or in dark stormy weather
At Camp Clara Barton, we're always together
Traditions old, we will 'ere uphold
Love will prevail us, 'til death separate us
We're friends, friends, friends.

JUST A BOY AND A GIRL/ LITTLE CANOE

Just a boy and a girl in a little canoe
With the moon shinin' all around
He applies his paddle so
You couldn't hear a sound
And they talked, and they talked 'til the moon grew dim
And he said you better kiss me or get out and swim
So what you gonna do in a little canoe

Repeat and then add:

With the moon shinin' alla
Boys paddling alla
Girls swimmin' allaround
Oh yea? Yea

ALMA MATER

The hills and pond echo back our song
Send softly back our love for you
And in the twilight glow, within each heart we know
Our spirit and loyalty will grow
And though we leave, we've just begun
To raise our Barton song as one
And as we leave the echoes fall
Brings a greater warmth to all

LET THE SUN SHINE IN

My mother told me something that a little girl should know
And it's all about the devil and I learned to hate him so
She said he causes trouble if you let him in your room
And he'll never ever leave you if your heart is filled with gloom
So let the sun shine in, face it with a grin
Smilers never lose, and frowners never win
So let the sun shine in, face it with a grin
Open up your heart and let the sun shine in

PIXIE PLACE (Sarah, Cathy, Lauren, Tammie, Tammy, Julie, Terry,
Wendy - Kim Banks)

Dr. Pat Carol went on a chuchu train to Virginia to ride a hot pink elephant. On the train ride she saw a naked grasshopper singing Happy birthday to a soccer ball. Under the moon light by the water front she saw the elephant wearing sunglasses and smiling while eating froot loops. She was afraid of the tazmainia devil which was the Joslin Men, she pulled up her umbrella because the counselors were using the fire extinguisher to clean the hot pink elephant, then she saw the men hammering a nail into the elephant's leg to keep him still. So if your going to Virginia. Don't forget to see the hot pink elephant hammered to a tree. The End.

RAINBOW RIDGE (A Letter to Mom & Dad)

Dear Mom & Dad,

Yesterday at a dance at camp, there were a lot of people that were low and the counselors fed them froot loops.

Lot's of people were wearing hot pink shirts with elephants on them. It was so bright that all the Joslin men had to put sunglasses on. That night after the dance was over, a couple of boys secretly stayed over - while the girls were in the showers, the boys snuck in the bathrooms, opened some of the shower curtains and mooned the girls while they were standing there stark naked. Then one of the boys yelled out happy Birthday to a girl named Virginia, who came from Tazmainia. Dr. Pat Carrol heard and ran into the bathroom. The boys got in trouble and were sent home. The next day it was gloomy and rainy. Everyone used umbrellas. It was also thundering and lightening. Lightning struck on one of the cabins (Rainbow Ridge) and it was on fire - everyone used water and 39 fire extinguishers. One girl threw a soccer ball in the fire. A few days later after the fire we ordered new wood to build our cabin. The wood arrived by a chu chu train. We used nails and hammers to build the cabin, we built the cabin in 5 days. The last day we caught a grasshopper and kept it as a mascot so this wouldn't happen again. Everyone was A-OK!!!

THE BIRTHDAY SURPRISE

The hot-pink elephant put up his umbrella, because fruit loops were falling from the moon, that looked like a soccer ball. Dr. Pat Carrol went to Tazmania on a chu-chu train to pick up some naked Joslin men because it was her birthday. The counselors smiled and went into the water with their sunglasses and fire extinguisher. They swam to Virginia to kill grasshoppers with a hammer.

THE BIRTHDAY PARTY

Dr. Pat Carrol and some Joslin men were swimming naked on Virginia Beach. They were wearing sunglasses with a big smile. On the beach near the water they saw some old counselors with hot-pink umbrellas. One umbrella had an elephant on it. The other one had a grasshopper on it. They realized that the old counselors' friends must have been having a birthday party. They joined the party. The birthday boy received one soccer ball, a hammer, some fruit loops, a choo-choo train, a fire extinguisher, a tape of the Tazmania devils, and a two day trip to the moon.

THE DANCE

by Ellen M. Evju

The Dance was funny because the boys stood there like dummies in a dance. Some Joslin Guys are cute and some were ugly. Tracy & I (Ellen) were trying to get Cathy to dance with a cute boy named Mike. Mike is 9½ years old but Cathy did not want to dance with him. He thought Cathy was very pretty. No girl danced with Mike, I felt sorry for him. I found somebody for him, then they danced for 10 minutes. They were trying to Square Dance. I couldn't wait until the Talent Show. I love talent shows. I was trying to think of something to do but I don't have the guts to perform in front of boys. I really am shy. I can't wait to go home. I love to see my boyfriend again. I wish I was at Joslin Camp again. I had my eyes glued on to one guy who was wearing a brown striped shirt. He was cute.

I want to see the Joslin Guys again, mainly the guy with brown striped shirt.

THE END!!

Shelley Yeagher's vacation

One bright and sunny morning Shelley wanted a break from the infirmary, the place that she worked at, with a lot of fine, gorgeous Joslin men, so she decided to go to a New Hot Resort in Orange, North Dakota, where most of the men are naughty, and always wanted to party. She then started packing for her trip and these are some of the things that she packed: 1st she packed her favorite stuffed animal Winnie the Pooh, and she packed her sun bathing lotion, and her rainbow bathing-suit. Then she packed her scale to weigh her food because she was on a diet. She then locked her suitcase and looked at her swatch watch and said to herself, I my God I have to get out of here so I can catch my jet plane, but I still have to stop by the store to buy a few things. Then she grabbed her suitcase and went out to her new red hot Ferrari car. With a broom in the front windshield. So off Shelley drove to Star Market and bought the following things: a whistle, lollipop, a donkey mug, and a bag of marshmallows and as she was walking down another aisle of the supermarket she saw a very pretty walking cane that she wanted to buy for her father, and a gold sleigh that she wanted to buy for her mother and that was all the things she wanted to buy then she went home.

THE END.

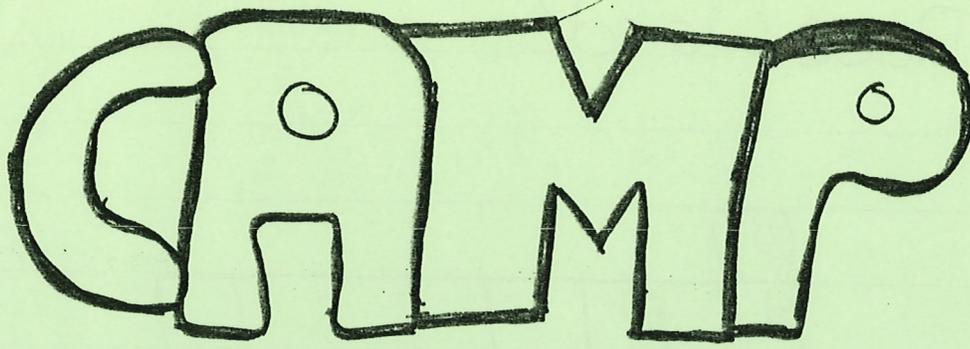

LAGOON LODGE

Are the Joslin Men worth it? (read on to find out!

One day, Shelley Yeagher, after weighing herself on an orange scale at the infirmary decided to take a jet plane with Winnie-the-Pooh to North Dakota to party with the naughty Joslin men. When arriving she wanted to rent a Ferrari, but had to settle for a rainbow colored mule. While riding her mule she looked at her swatch and realized she was going to be late for roasting sugar-free marshmallows, so she whistled for Maria to come and get her on her broom. She couldn't reach Maria because she was sunbathing so she called for a sleigh. Shelley fell off the sleigh and needed a walking cane and she never reached Joslin and the men were devastated. What we wanna know is: What became of Winnie the Pooh? **The End!!**

AN INTERVIEW WITH SUSAN THORNTON
BY: BLONDINA LINDESAY

Q: Why did you come to camp?

A: I came to meet other diabetics.

Q: Are you diabetic?

A: Yes, I've had it for two and a half years.

Q: What are your main interests?

A: Keeping active, Phil Collins, and Madonna.

Q: Do you attend college?

A: Yes, Plattsburgh State College.

Q: Do you have any dislikes at camp?

A: Yes, it's not fair that Deirdre always gets to sit in the front seat of the van.

Q: Do you like the kids in your cabin?

A: Yes, they're outgoing.

Q: Where are you from?

A: Lake Ronkonkoma, New York.

Q: Do you like playing badminton?

A: Yes, because I do.

Q: What do you like most about camp?

A: Working with Katie- she's so creative and a great co-counselor. Because of her, the first thing I'm going to do when I get home is buy magic markers.

Q: Do you enjoy being around kids?

A: Yes, I love kids. I enjoy living with the older campers most, and working with the younger campers during the day.

Q: Why did you switch from the kitchen?

A: This is my second year here. Last year I worked in the kitchen, so I really didn't know everyone as well as I do this year, and I didn't get to do many activities.

Q: How old were you when you got diabetes?

A: I was 18 years old.

Q: How did you feel when you got diabetes?

A: I didn't want it to stop me from doing anything. I wanted to show everyone that I was the same.

Lakeside's Life at Clara Barton Camp

Clara Barton Camp is a very ordinary place. Except when you walk into LAKESIDE. There you will find Joelin Men naked, Fire extinguishers filled with fruit loops, and hot pink elephants from Virginia. Co-Co did her famous moon and she took off her bra and out popped 2 soccer balls. Then Dr. Pat-Carrol who comes from Tasmania came in wearing sunglasses with an old smile on her face. Then Denise our counselor walked in with a grasshopper on her head. Since it ~~is~~ was Denise's Birthday we all pitched in and bought her a toy chu chu train and an umbrella. Then ~~when~~ we threw her in the pond ~~where~~ there was lots of water, and a hammer fell in with her and got all wet and slimy like Denise.

DIVC and seniors went on a field trip to The Science Museum in Boston. They ~~had~~ ^{saw} Chicken just Hocking. People got weighed to see how much Blood is in my body I have 17. I wanted to watch but we had to see the rest of the museum. Erin, Steph and Geni told us that there was something interesting on the other side so they took us for food and we had our snack. I had fun on that day. That was an Awesome day. I want to go see somebody in Boston they ~~was~~ ^{were} there when I was. They had science sports. They had lockers one was on my favorite sport Field Hockey (Girls) we saw a show about ~~the~~ The Runaway Star. That show put me ~~a~~ asleep. They had gymnastics. They showed how baby's was born. They also have a Library. In the library they had a honey nest. I thought it was Awesome.

The Pajama Party

Shelley Yeagher took a jet plane to North Dakota to a naughty pajama party with the Joslin men. Celia Brinkhaus was there and she brought a Winnie the Pooh night gown. When all of a sudden Shelley had an insulin reaction, she timed the chemstrip on her new Savatch watch, she found out she was low so Celia went to the kitchen to get her an orange and three marshmallows. Two hours later she was convulsing, so Celia had to rush Shelley to the infirmary in Celia's brand new shiny red Ferrari. The infirmary checked her out and found that she broke her leg on a ceramic mule, so now she is in need of a walking cane. When she returned from the infirmary, they found out that someone broke a window with a broom and stole Celia's pajamas, and broke a scale and sleigh that were in the house. They just laughed and whistled. At the end a rainbow was shining.
