Session I, 1987

Dear Campers,

It has been a great first session. It was so good to see all of you former campers, and to meet you new campers for the first time. I hope that each of you had as much fun as I did, and will remember CBC throughout the next year.

We finally made it to Buffamville Beach. It was a long hike but I had a good time, did you? It's fun to be together as a group, working and playing hard. I will remember all of you as you tried to relay race holding grapes in chopsticks on special Sunday.

The most important thing about camp is to have a great time and to make friends that will last a lifetime. And remember, when things aren't so great and you're feeling down, think of us at CBC and smile.

And, keep climbing up sunshine mountain....

Love,

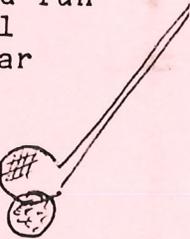

Hi Everyone,

In my ten years here at CBC, this has got to be one of the quickest sessions we ever had. It feels like just yesterday you were all coming in for registration. You are a great bunch of campers and staff. Your enthusiasm and spirit throughout this session has been super. We had alot of fun this session. The dances with the men from Joslin were great. Div. C and First Yr. CIT's went Bowling. Bring out your best, bring out your balls and go BOWLING. Or, you could play miniature golf with the Seniors. Confucious say, Chinese New Year vas AAASoooo Vonderful. I can tell the second year CIT's enjoyed their trip to Cape Ann. They better stay away from gingsu knives. We finally made it to Buffumville, you did a great job hiking. Carol did you enjoy your swim?

We've had alot of fun, but I also hope that we learned more about ourselves. As we remember all the good times and fun we had, keep the peace and spirit that is CBC with you until we see each other next summer. Keep in Touch, I love to hear from you!

LOVE,

Maria

STORIES

The Dance

The dance was great. It was at Joslin on July second. A lot of people danced and had a great time. On July fourth, we are to have a cookout with the Joslin guys, and Sunday there is to be another dance. It will be at CBC. I hope everyone has as much of a good time at our dance!!!

The Mystery of the Dropping Diabetics

It was a nice day at CBC, when suddenly all of the counselors disappeared. After one hour, they hadn't returned. Slowly, kids dropped one by one. Then, Super Saver came!!! He found that the Evil Insulins had been working too hard, and the kids were having reactions!! He took glucose tablets and fed them to the kids at CBC. The counselors were found up in the trees where they were hiding from insulin syringes that were attacking them. The needles were executed, and everything was fine.

The Story of Two People Meeting at CBC with the Same First and Last Name

One day, there was a lady named Kathy Johnson, Anitra's mother. Kathy met another lady named Kathy Johnson at CBC's First Session. It all happened like this. Kathy, Anitra's mother, took Anitra to her cabin. Then, right after that, it was time for medicine at Pixie Place. Kathy and her daughter went to Pixie Place, and Anitra went into the back room to get her insulin. While Anitra was gone Kathy sat down. She sat down next to a lady; it was Brenda's mother. Kathy, Anitra's mother, said, "Hi, I am Kathy." Brenda's mother said, "Me too!" Anitra's Mother said, "Kathy what?" Brenda's mother said, "Kathy Johnson." Anitra's mother said, "Me too!!!" So the day went by faster and faster until it was time for Brenda's mother to go. Then, like one hour later, my mom left, and that's the story.
