Dear Campers,

It has been a great second session. It was so good to see all of you former campers, and to meet you new campers for the first time. I hope that each of you had as much fun as I did, and will remember CBC throughout the next year. When you're all back at school, remember - Ross, Brittany and I will still be at CBC, shoveling snow and missing you all. Please drop us a note.

The CIT trip to Rockport was terrific. Remember garbage bags, matches and grills the next time you go camping. I know you all learned how to find wood for a campfire. Special Sunday was full of memories for me - you know, I actually was a teenager in the "oldies days." You polar bears were awesome. Don't you think swimming at 6:30 AM is a great way to start the day? You all sure made my days brighter, and I can't wait to have you all back next year.

The most important thing about camp is to have a great time and to make friends that will last a lifetime. And remember, when things aren't so great and you're feeling down, think of us at CBC and smile.

And, keep climbing up sunshine mountain....

Love,

Hi Everyone,

You know what? I thought last session went fast, this one has flown by and at the same time some of the things we've done feel like they happened so long ago.

Campers you were awesome. Your spirit and enthusiasm throughout this session has been terrific. Our trip to Buffumville was super. The weather was perfect. Hey Div. C did you have fun watching movies with the men from Joslin. Seniors you sounded like you had a great time in Greenfield, N.H. So what if the Alumni and Oxford Police beat the staff in the softball game. We did our best and raised money for camperships. Oldies Day was super. Did everyone enjoy their rootbeer floats and milk shakes? Mmmmm Good! The oldies dance was the best time we had. Twist and Shout! Div. A AND B hiked for ice cream. It sure has been hot. Div. A also did crayon rubbings at Clara's Grave. They were great! I hope Michelle had a nice time with Jobie. It FIGURES, Katie! Maybe next time.

Staff you are awesome! Thanks for all you do, I would not be able to do my job without your help and support.

We've had alot of fun, we've learned alot about ourselves, and I hope you learned a little more about living with diabetes. As we remember all the good times and fun we had, keep the peace and spirit that is CBC with you until we see each other next summer. Keep in touch, I love to hear from you!

LOVE,

Maria

Alma Mater

The hills and pond echo our song
Sing softly back our love for you
And in the twilight glow
Within each heart we know
Our spirit and loyalty will grow.
And though we leave, we've just begun
To raise our Barton song as one;
And as we sing the echoes fall,
Brings a greater warmth to all.

Some Activities

Some activities are fishing, cooking, newspaper, and tennis. Those are good activities. In fishing (1986, Session 4), we broke the record of how many fish you can catch.... in one day. I caught a fish that day. In cooking, we made these cookies and banana bread, so far. In newspaper, we wrote things for the newspaper. That is fun. My last activity is tennis. In tennis, we exercise and practice it. It is really fun!!!

-Sarah Danzig

On Tuesday, July 14th, behind Clara Barton's birthplace, tents were set up because the 1st year CITs were going on a camping trip to Cape Ann. They are going camping as an activity and they are going to have lots of fun. They will be going until Thursday, July 16th.

Why I Like CBC

I like camp because it is fun, and it is very exciting. Also, because it is full of sports. I like the swimming pool, too. We have great games to play. That is why I go, and because the people are very nice. That is why I like CLARA BARTON CAMP!!!

What I Like About Clara Barton Camp

C.B.C. is great; you meet new friends. You can go swimming. I also have a lot of things to do. An example is newspaper. I also like the songs, too. Campfire is fun, also. I like the people, and the trips we walk to.

FRIENDS FOREVER

We're joined in a friendship
that time can not sever.
With bonds we have built
we'll remain friends forever.

We're welded in spirit
Attached by our hearts
We're fused by the feeling
That friendship imparts.

We're tied by emotions,
Connected by dreams,
Reinforced by our hopes
unified by extremes.

NO LONGER a function
of time or of space,
Our love is a substance
That won't be replaced

No matter how distant
we'll always endeavor
to sense the full meaning
of FRIENDSHIP FOREVER

ON July 21, we walked on a trip to see Clara Barton's grave. We did grave stone rubbings. After that we ate lunch. When we were finished, we walked to Coz's to get ice cream.

After we were finished our ice cream, the van picked us up, and we went back to camp. This was a great trip. I hope I do it again.
