Dusty Cruse
Pres & CEO
Missouri Enterprise Development

Dear Mr. Cruse,

Please accept this recognition and appreciation for the efforts of Mike Shew. Mike visited our facility to introduce himself, Missouri Enterprise and to inquire if he could be of assistance to REACH Manufacturing. I did not see a fit at that time, however, through Mike's recent followup contact, Mike found an opportunity to assist.

REACH is an early stage company launching a strategic sales campaign. To accelerate our success we have considered obtaining equity partners to hire sales staff in advance of earnings. Mike offered to assist with introduction to several sources he believed could have an interest. Mike's immediate efforts have resulted in communicating with a local equity firm which visited us in just two days of Mike's offer to assist. Mike has also made additional introductions we will be speaking with soon.

Mike has made clear his desire to assist is central to REACH adding new jobs which is the only return he required for his assistance. Mike's efforts may result in advancing the hiring a good portion of the 36 individuals needed for our current facility.

I thank you for having such quality assistance available to us.

My best regards,
