The Arizona Sunshine League has been in existence since 1996. We have had over 250 players in our 30 years.

Our continued success depends on the donations we receive annually from the St. Paul's Council of the Knights of Columbus and Race Place Events.

We also thank the Arizona Sports Complex. Without them, we would not be able to play year-round on an inside field. These three organizations are the lights at the end of our tunnel.
