REAL ESTATE BROKERS

LET US TRAIN YOUR NEW AGENTS FOR YOU AT NO COST TO YOU

We want to help you to grow and scale your business. Allow us to train your newly licensed real estate agents so you can focus on other important tasks at hand. There is no cost for you to allow us to train your newly licensed agents.

Simply enroll your office into our Real Estate Broker Program, and when you have a newly licensed real estate agent, let them know our company provides the training for your office.

All agents from your office will receive up to \$200 off when they enroll in our Real Estate Agent Training Program.

CRIM TRAINING

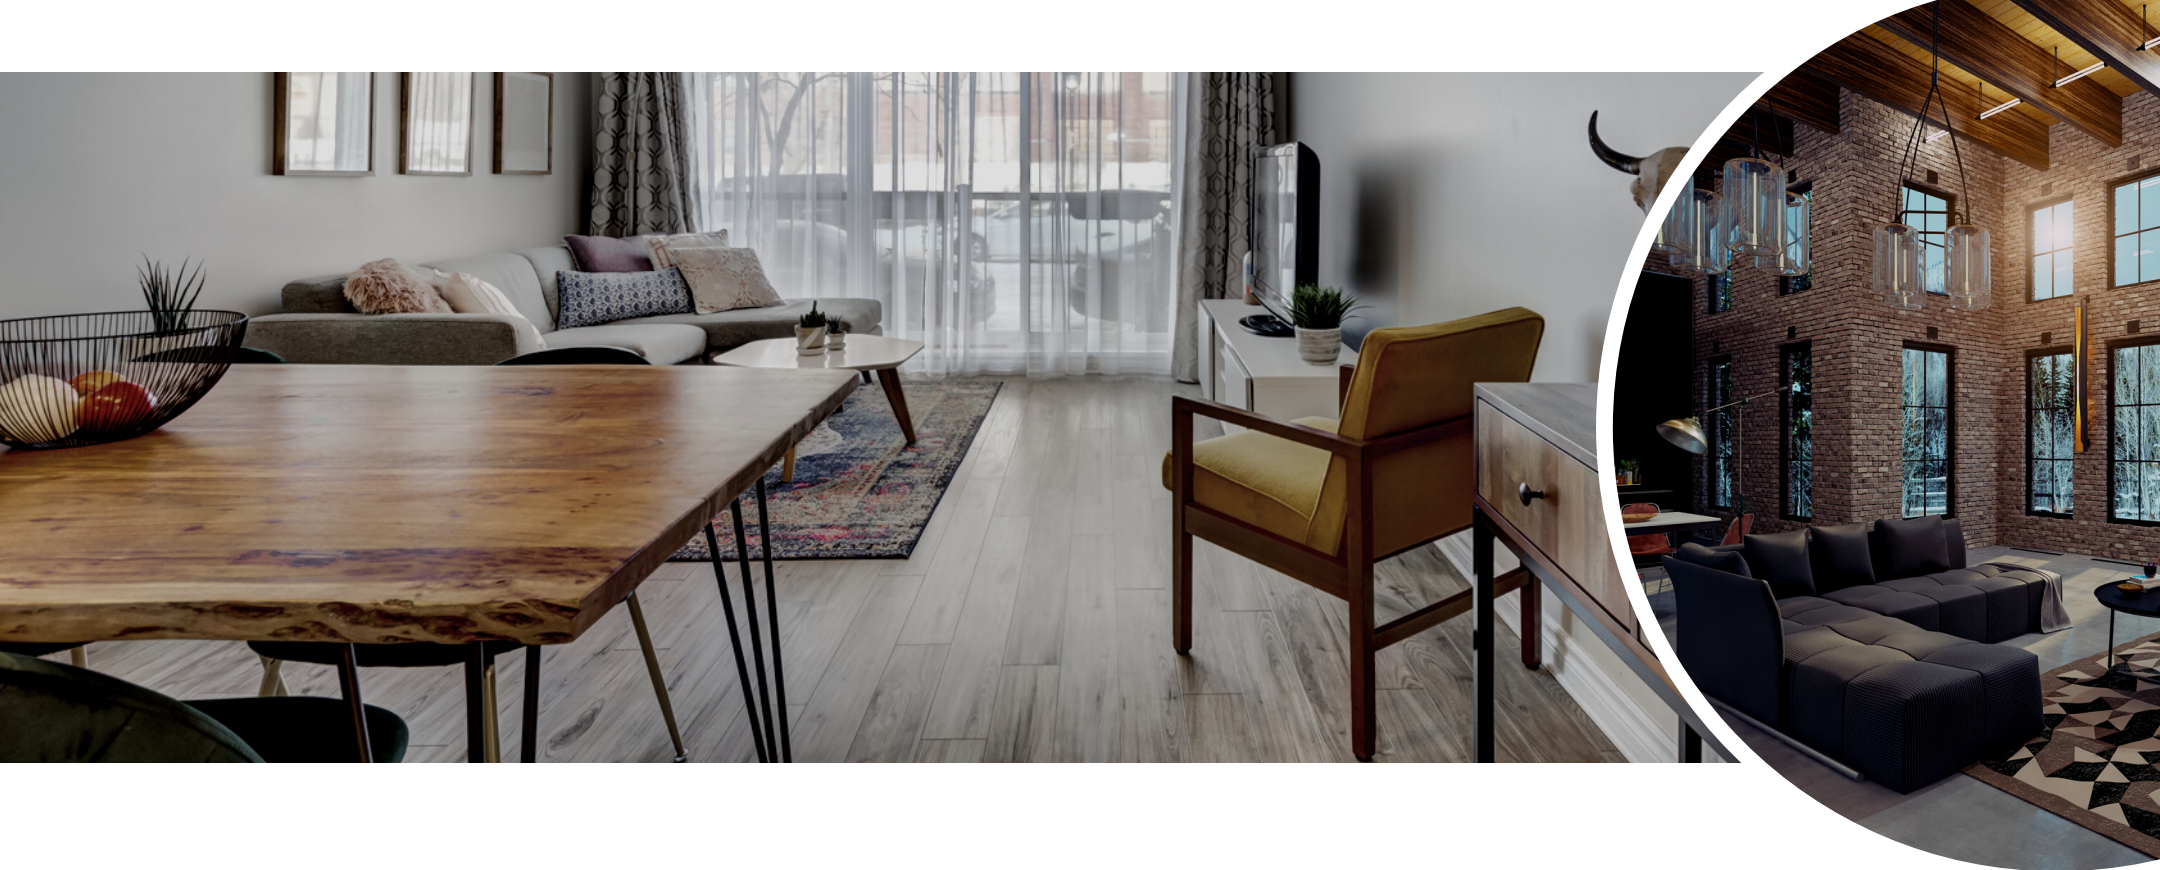

ENROLL YOUR OFFICE TODAY

For most newly licensed real estate agents, the learning curve is huge. Our training program is designed to significantly reduce their learning curve.

The information that they would learn over 3-4 years in the field, we have compiled into our online course. We teach agents the fundamentals of CRIM.

All of our online courses are based upon the CRIM training model. CRIM is a new and innovative way to train real estate agents. It delivers better and faster results. We truly believe this.

GET YOUR CRIM ON

Upon successful completion of the course agents:

- Will have the skill sets to successfully identify and convert more leads
- Learn the traits necessary to become a strong negotiator
- They will have sufficient knowledge to be able to effectively work with landlords, real estate investors and commercial clients
- Learn how to network and prospect in order to scale their business and increase their brand awareness in their territory
- Will have gained significant knowledge in understanding the different types of construction materials used during a typical renovation of a home

www.crimacademy.com

- Will be better prepared to provide guidance and support to clients seeking to purchase properties that need extensive repair
- Receive marketing tools they can use to grow and scale their business
- Will have the skill sets to market themselves to a wider audience besides just residential clients
- Receive a certification evidencing their successful completion of the course; and evidencing being **CRIM TRAINED**
- Plus, so much more!
