

# CRIM ACADEMY

"Your success in life is greatly determined by the effort that you put forth. Your success should not be accidental. It should be earned and clearly defined by your actions; not by your inactions.

If your environment does not permit you to earn the right to be successful, you must rise above your circumstance and demand your success."

CRIM ANTHEM

# CONQUER

Conquer those who seek to conquer you. You are your own master. Rise to the occasion. Stand up, and be proud.

The world is yours for the taking. Nothing is more real. Nothing is more precise than the success that you have earned.

Claim it. Name it. Call it. It is yours for the taking. I am my own destiny. I am my own reality. I am the oil, that always, rises, to the top.

I am the success that I have always strived to be.

I am, I am, I declare, I am, me!
