

2023 CPHS Girls Golf Seniors

Faith Espinoza

Faith has played for CPHS Girls Golf for all 4 years of her High School career. Her favorite memory from golf at CPHS was during her junior year at Orinda Country Club. It was super hot, Faith and a bunch of the girls, ran through sprinklers while waiting for their turn to tee off. Faith plans to go to a 4-year University after CPHS. In her free time, other than playing golf, Faith likes to play softball, bake and read.

Astrid Bogatinoff

Astrid has been playing golf at CPHS since her Junior year, so she has been playing for 2 years. Her favorite memory from CPHS Girls Golf was at the San Joaquin tournament in Davis. She said it was a really fun experience even though it was a long day. In her free time Astrid likes to hike, spend time with friends and thrift. After CPHS, Astrid hopes to attend a 4-year University in California.

Tori Pollicino

Tori has been playing golf at CPHS all 4 years of her high school career. Overall, she has been playing golf for 6 years though. Her favorite memory playing golf was when she got her first par while her dad was filming and it is still her favorite video to this day! She states how she “loved being able to share such a special moment with him and have it captured!” Tori hopes to go to college to pursue creative writing and hopefully play golf at the D3 level. Some things Tori likes to do in her free time is reading, writing, painting, sketching, and working on digital drawings.
