What is your favorite memory playing this sport?

From coming in as a junior, and never have played this sport was a really amazing experience. I got to meet so many people and learn and try something i have never done before. Volleyball was never my thing growing up, but as I began to join the sport and learn all about it, I had liked it more and more. I love to be active and be a part of a team and this was the perfect opportunity for all that.

What are your plans after CP?

I plan to attend a community college for a year and then transfer to Long Beach University to major in nursing.

What do you do with your free time (hobbies, interests)?

I love going out whether that's going shopping or a simple viewpoint. I also love being around friends and going out to new places.

Is there anything else you would like to share about your CP experience?

It had its many challenges, but ultimately it was worth the memories and experiences I got to have.

What is your favorite memory playing this sport?

My favorite memory is when we won my sisters senior night last year against Berean. We went to 5 sets and won it all. The second we won, my sister and I looked at each other on the court and just knew we would remember that moment for the rest of our lives, and we both sprinted to the pool to celebrate with the rest of our team.

What are your plans after CP?

I plan on attending a 4-year university somewhere in SoCal.

What do you do with your free time (hobbies, interests)?

I play travel softball, I enjoy hanging out with my friends and family, and spending time with my cat Timmy.

Is there anything else you would like to share about your CP experience?

I just want to say thank you to my coach Roger and my teammates for making these past two years so great and memorable. I'll always remember being a proud volleyball falcon.
