

From the Commodore

Spring has arrived and summer isn't far behind. It's great to see the HLYC snowbirds returning to the club and everyone ready to enjoy the many club events coming up this summer.

Thanks to those members who planned and volunteered at the events highlighted in this edition of the *Current*. **Murder Mystery** - Fawn Lipke & Team. **Soup-a-Thon** - Bill & Audrey Linnenkohl, Mike & Marcia Christofferson, Mia Barbeau, Dave, Sally and Liz Bosanko and Pat Scott. **St. Patrick's Day Parade Entry** - Cyndi Knapp-Finley & Team. **Derby Day** - Craig Harris, Al Groth, Mark Geisler, Bill Linnenkohl and all their support people. A special thank you to members who participated in these events and made them so fun and successful! That's why we're known as the FUN CLUB!

Now that Memorial Day is over we officially have kicked off **Harboritaville** Saturdays. Scott

& Jenni Floyd hosted our first one and they served up some delicious food. Thank you both! We still have some open dates available for hosting Harboritaville so please check the bulletin board and consider getting a group together.

Our Club Projects are in progress. The sound system and keyless entry systems have been completed. The balcony stairs will be replaced soon and the club is still waiting for DNR permits to complete the next stage on the seawall. It will be a busy season. I look forward to seeing everyone at the club!

Thank you, Ken Gall
