

From the Commodore

Our long, hot (and sometimes wet, smoky and humid) summer is over. And, the Packers are having a lackluster start to their season. On the bright side, the Brewers are in the MLB playoffs! Other positive ***"Parties on our Blacktop"*** this summer were...

Harboritaville's did very well this summer and we had some "first time" hosts who sponsored our popular summer lunches. We appreciate and thank ALL members who hosted a Harboritaville and those who showed up to support them.

We had a super day for the **Tri-Club Dinghy Run** in June and once again, HLYC had the best food! Thank you Tri-Club team!

1st stop – RYC
for Dinghy Run

Many members attended the **"Eric Diamond, a.k.a. Neal Diamond show"** in July. It was a beautiful evening with yummy food, followed by singing & dancing. So good! So good! So good!

On the flip side, weather for the **Cardboard Boat Race** was a bit soggy! But, despite the weather challenges, **Scott Floyd** and his team made it happen along with boat builders and fans who came out to participate and support their teams. Not so gloomy after-all!

Next, our **Club Silent Auction** was coordinated by **Cyndi Knapp-Finley**. All items were bid on! Thank you Cyndi, your team and all members who donated and/or purchased items.

For the first time, **Diane Rauch** and her team organized a **Cancer Benefit Fundraiser** August 22nd. It was opened to the public and the turnout was great. The Benefit raised \$8,000 which was distributed to Wisconsin Ascension, Froedert and Madison Cancer Research. Thank you to Diane, her team and all who came out to support this important cause.

Last, but not least, thanks to **Jean Peterson** and **Fawn Lipke** who combine efforts to update events on our electronic bulletin board. **Fawn** also updates events on Facebook and keeps our bulletin board up-to-date and looking tidy. We ALL appreciate the time and effort it takes to keep information current. Thanks ladies!

That's your summer wrap! See you at the club!

–Ken Gall

This past September, Bill & Audrey Linnenkohl (and friends) hosted a SOCK HOP. There were so many great pictures – too many to be featured in this issue. I'll make sure I get some in next time.
