Summer & Fall 2025

From the Commodore

WOW! What a summer we had at the club this year. Not only was the weather great, (a little extra warm in June and July) but all of the club events had favorable weather.

Harboritavilles were well attended, and everyone seemed to enjoy themselves. This year's H-Ville's had the most "first-time" sponsors that we have ever had!

When H-Ville season starts next year, remember that it only takes 3 or 4 people to run an event. If you have any questions regarding hosting a Harboritaville please ask any Board member or one of the sponsors from this past season.

The Tri-Club Rendezvous was a fun event again this year. Attendance was a little lower then in past years,

Happy Harboritaville!

probably due the heat and wind, but HLYC had the most attendees out of the 3 yacht clubs in Racine. For that we can be proud!

Other events supported well by members were our Club Silent Auction, Dick Anderson's Garbage Can Dinner, Music on 2nd and 4th Fridays, and the big birthday party hosted by those who turned 70-years-old in 2025. Thank you all for your hard work planning and helping with these events!

The Cardboard Boat Race was a success and had the most boats constructed ever! Read Scott Floyd's comments on pg. 10. It was a super event!

Get on your mark, get set, paddle like crazy!

With the wonderful weather that we had this summer, several members completed a lot of cruises on Lake Michigan. They were able to enjoy the reciprocity that HLYC membership includes and invite members of other yacht clubs to visit our club and enjoy the comradery.

As of this writing, the Packer season is in full swing, and the Milwaukee Brewers are in the MLB Playoffs. GO Teams!! Plus, listed on pg. 2 are several events coming up that you won't want to miss. Sign-ups are on the bulletin board for many of them. So, mark your calendars and I look forward to seeing you at the club!

Thank you, Ken Gall

Hard to believe we're 70?!

From our Club Manager

Diane Rauch

Mark your calendars for these up-coming club events. We hope to see you!

Don't rock the boat, baby!

Bless Our Volunteers!

Fellow Members,
I'd like to take a moment to give a huge thank you to the entire team that helped with this year's Cardboard Boat Race. Because of their hard work and donations made by individuals and sponsors (most notably Tri-City Bank and Baird Investments) we were able to donate \$4,500 to Veterans Outreach of Wisconsin. Also, for those of you that attended and volunteered, give yourselves a big hand for supporting a good cause and helping your Club. This year's event was another record year and we're already working on next year's to make it even better!
