

Map of Golden Oaks Fire Exits

There are 7 ways out of Golden Oaks in the event of an emergency. The exits at Egbert Hill, Pioneer, Conestoga and Buckboard have fire gates which will be opened by a resident, but please consider adding a pair of bolt cutters strong enough to cut locks to your emergency "Go Bag" just in case.

⚠️ Creek crossing at Sharmiden & Brewer is seasonal. ⚠️ Junebug does not go thru to Sharmiden!
